Fate of Mine Men Trapped by Fire Is Still Unknown

Life-Saving Squad Penetrates Barrier But Underground Blaze Is Obstacle

MALARTIC, Que., April 26 (Saturday) (CP).—Fresh rescue crews, relieving a grimy fire-fighting squad, went down into the East Malartic gold mine early today in an all-out drive to reach 11 hardrock miners trapped for 48 hours.

Although six hours earlier other crews, rapidly gaining control over the deadly smoke menace, broke through to the fire-centre on the tenth level, authoritative sources said it may be as long as ten or 12 hours before the men could be reached, 500 feet below.

Their fate was still unkown. No signals have come from the men, somewhere beyond the burning timber structures.

They were without special masks against possible carbon-monoxide fumes and were believed inadequately dressed for the ordeal that swept upon them early Thursday night. But, experienced miners said, the men might live 48 hours or longer provided the air pumps have been functioning and the trapped men are in an area where they are not breathing carbon-monoxide.

At the same time, it was pointed out that the air temperature on the surface was around 35 degrees, and air reaching the men may be about 40 degrees.

Late last night W. Griffin, assistant mine manager, had only this brief statement: "We're still fighting the fire; we hope to get it under control during the night."

Four hours earlier when news of the break-through to the tenth level became known, hundreds of townsfolk, relatives and buddies of the trapped men, swarmed from their homes to the mine gates, closed to all but officials and rescue workers.

They came by car and afoot through slush and mud. Many women, some with tots in their arms, stood in the quiet throng. They spoke quietly, their faces strained, but there was renewed hope.

The crack Kirkland Lake rescue quad from Northern Ontario, aided by men from the nearby Noranda Mine, scored the break-through to the tenth level.

Living Costs Move Up

Prices Are Above Official Figures

OTTAWA, April 25 (CP).—The Bureau of Statistics confirmed with figures today what any housewife could have told it a long time ago: That the cost of keeping the larder filled, the body clothed and the house furnished is considerably more than the official cost-of-living index.

Between August, 1939, and the end of 1946 the official increase was 26.1 per cent. By last month it had risen an additional 2.8 per cent.

But while these figures represented the official average advance, they did not give much indication of some of the things housewives have been howling about. Egg prices are 70 per cent higher than they averaged in the period in 1935-39. In the same class are cheese, round steak, rolled rib roast, stewing beef, veal, bacon, lard, rice, beans, corn syrup and lemons.

The bureau computes its index by averaging the weighted representative price figure for each of six main essential-item groups: Fuel, rent, foods, clothing, home furnishings and services and miscellaneous.

The food group advanced 47.4 per cent, clothing 31.1 and home furnishings and services 28.2. Fuel moved ahead 10.3 per cent, rent (computed before the recent increase in domestic rentals), 9.2 and miscellaneous, 12.6.

Chemainus Children Boycott Chocolate Bars

—Photos by Mrs. J. R. Robinson.

TOP photograph shows a group of Chemainus school students parading through the village yesterday afternoon with signs protesting against 8-cent chocolate bars. Lower photograph is of five small children in front of O. K. Dwyer's confectionery, busily eating ice cream which they purchased instead of bars. Each also wears a sign urging others not to buy bars. Although the store window contained a delectable display of candy, the youngsters were not tempted. The chocolate bar boycott is also in full swing at Ladysmith and Nanaimo, and high school students at both centres claim it is rapidly spreading to other communities throughout Vancouver Island. Wholehearted support of adults has been accorded children in their attempts to call attention to what they firmly believe is an injustice.

Reply From Mackenzie Criticized by Veterans

Braefoot Questionnaire Answered But Tenants Claim Parts Evaded

Reply to the 13-point questionnaire presented to Veterans' Affairs Minister Ian Mackenzie during his recent visit to Braefoot Estate has been received by the Veterans' Committee which last night voiced dissatisfaction with the answers.

"Mr. Mackenzie has very skillfully evaded the most important parts of the questionnaire," a spokesman said.

Veterans claim a satisfactory answer was not given one of their most important questions—that of the reduction in cost to their homes. Asked why the recommendations made by the three-man investigation committee (McCarter, Buzzelle and Scott) were not being implemented, Mr. Mackenzie replied: "The recommendations of this committee have been and are being implemented."

He said that correction of deficiencies, improvement to drainage and sewage disposal fields had been carried out. Referring to the cost of the homes Mr. Mackenzie said: "The report has been implemented by the absorption of 23 1-3 per cent of the cost to the director as provided by Section 9 of the Act."

Asked if Mr. Mackenzie knew of a private investigation made by R. W. Mayhew, M.P., and if so, would Mr. Mayhew "be kind enough to make this report public," the Veterans' Affairs Minister replied: "Mr. Mayhew asked a personal friend, an engineer, to look at Braefoot houses and his observations were conveyed to the Department of Veterans' Affairs in Ottawa and were welcomed."

Veteran tenants expressed the belief that Mr. Mayhew's private investigation showed many defects in the houses.

An investigation made a few months ago by Gordon Murchison, V.L.A. director, and Walter S. Woods, deputy minister of veterans' affairs, was scored. The veterans said they are still "waiting a square deal and insist that the McCarter report be implemented or that a Royal Commission be appointed to make a full investigation."

"Inasmuch as these gentlemen spent little more than two hours on Braefoot Estate and these officials are from two Government departments responsible for the project, Braefoot tenants consider their report biased and unsatisfactory."

A comparison of houses built by National Housing Administration for civilians in Victoria and those built for Braefoot veterans submitted to Mr. Mackenzie brought the reply: "It is not possible to answer this question due to the lack of identification of the houses mentioned."

Asked the average cost to the Government per acre of land at Braefoot, the reply was $336.77. Questioned on the issue of a veteran being able to afford to construct a house on a "cost plus" basis, Mr. Mackenzie replied: "Braefoot houses were not built on what is commonly known as a cost plus contract. The contractor received only a fixed fee of $245. His profit would not exceed that amount per house."

Asked if a Braefoot tenant does not sign a contract but vacates his small holding, will his re-establishment credit be reinstated and his down payment refunded, Mr. Mackenzie replied: "If a veteran in occupation of a small holding at Braefoot decided not to complete a purchase contract he will be expected to pay reasonable rent for the period during which he occupied the premises."

Fuel Ship Explodes Nine Dead

Rescue Vessel Reaches Scene

VALPARAISO, Chile, April 25 (AP).—The 730-ton Chilean coastal steamship Montemar, carrying a cargo of gasoline and fuel oil, was reported tonight to have exploded in the Pacific with the loss of at least nine of its crew members.

Maritime authorities here said the vessel, en route from San Antonio, Chile, to Coquimbo, in Central Chile, sent out an SOS which was answered by the Chilean steamship Union.

The Union radioed it had located the Montemar ablaze about 50 miles off Coquimbo and rescued 20 of its 32 crew members.

Valparaiso port authorities said the Union's messages mentioned nine dead, but could not account for the other three crew members apparently unrescued.

Fourteen Dead In Indian Riots

NEW DELHI, April 25 (Reuters).—The worst Hindu-Moslem rioting in a month broke out in Calcutta today with 14 persons killed and 50 injured. Arrests totaled 124.

Following the riots, the Bengal Government announced imposition of a 59-hour curfew on two sections of the city.

Today's incidents in Calcutta included six bomb attacks and six cases of arson. A former secretary of the Indian Medical Association, Dr. P. K. Sengupta, was murdered in his surgery.

Survey to Start Soon At Ogden Point Docks

Arrangements are under way for an immediate survey of Ogden Point Docks by the Department of Transport to determine what improvements will be needed to provide adequate facilities for present and future shipping requirements of the Port of Victoria, Mayor Percy E. George was informed yesterday.

He received the information in a letter from R. W. Mayhew, M.P., to which was attached a letter from Transport Minister Lionel Chevrier.

"I hope this will give some additional encouragement to those who are working so hard to make the Port of Victoria a success," Mr. Mayhew commented.

"Arrangements are in hand for a survey to be made immediately for the purposes of determining the extent, if any, of the improvements and betterments that might be made to Ogden Point docks in order that the facility be adequately equipped for current and foreseeable future requirements," the Transport Minister wrote.

"I am quite prepared, notwithstanding the existence of some internal obscurities as to the department of government in which the ownership of this property is vested, to assume that the Department of Transport is the responsible department with respect to any improvement and betterment of piers that may be advisable," he continued.

"I am awaiting a report from the Canadian National Railways regarding the provision of the traveling crane suggested by you (Mr. Mayhew) and I hope to be able to advise you further regarding this at an early date."

Will Add $25 To Each $100

An anonymous contributor has offered to put up $25 for every $100 sent in from now on for the Mayor's Fund for sending Parcels to Britain, it was disclosed yesterday by Mayor Percy E. George. The offer does not include the money which will be collected in the special tag day today, but does include all donations sent into the City Hall.

It is estimated that nearly 500 taggers will be on the streets of Greater Victoria today, Mayor George said, in making an appeal for generous support of the fund for relief to stricken Britons.

The tag day has been organized under the direction of the I.O.D.E. The B.C. Electric Company has offered the use of its coin-counting machinery to facilitate tallying of the collections.

Mayor George said receipts from program sales at the football game at Macdonald Park today will be turned over to the fund. Taggers will be on hand to help with the sales.

Howe Says 10,000 Homes For Veterans This Year

May Be Adviser

Dr. Otto Maas, named one of "the ten most powerful men in this country," may soon be named scientific adviser to Lieut.-Gen. Charles Foulkes, chief of the army's general staff, according to reports. The 56-year-old McGill University professor has been acting as scientific adviser to Gen. Foulkes for nearly a year and an official announcement is expected soon.

OTTAWA, April 25 (CP).—Reconstruction Minister Howe predicted in the Commons tonight that 10,000 homes for veterans will be built this year under the integrated housing plan, through which the contractor is guaranteed a sale.

Another 7,000 to 8,000 houses will be built under the Wartime Housing plan, the minister added.

Mr. Howe also announced that steps were being taken to decrease the proportion of lumber being exported to provide more for domestic construction and said further announcements would be made.

He also placed the 1947 production of nails, one of the most critically-short of building materials, at 1,400,000 kegs and reported that the supply of nails now was not far from the demand.

Mr. Howe explained that all available nail wire could not be used in the production of nails because this would affect the output of other products, such as agricultural implements. Nail wire was being used the "best way possible."

The minister spoke as the House continued debate on a section in the main Government control bill which would continue for another year certain war-induced priorities on building materials.

He said it was planned to retain controls on steel and timber until supply could meet demand. Steel production was 20 per cent higher under controls than it would be if this industry were control-free.

To Change Clocks At Midnight Tonight

BRITISH Columbia turns over to Daylight Saving Time at 12 midnight.

To adjust clocks to the "fast time," they should be advanced one hour tonight before retiring. Net effect will be the loss of one hour to every resident of British Columbia, and the time cannot be made up until the return to Pacific Standard Time in October, when clocks will be set back.

More Germans Facing Trial

OTTAWA, April 25 (CP).—Trials involving some 40 German war criminals in connection with mistreatment of Canadian servicemen shortly after "D Day" in 1944 still are pending in Europe, Flt. Lt. M. M. Carmichael, former officer in charge of the Canadian war crimes investigation unit on the Continent, said in an interview today.

Most of the trials still pending, he said, arose out of further evidence collected by the unit since the conviction of Gen. Kurt Meyer, now serving life imprisonment at a Canadian penitentiary.

Flt. Lt. Carmichael said nearly 100 Canadians had been shot and, because investigations had led to the discovery of other German units involved, new trials would be held by British military tribunals.

Candy Bar Warfare Has Grip on Island

"Chocolate-bar strikes" which began Thursday at several Up-Island points were expected last night to spread to Victoria early next week as youth organizations here took up the cry against eight-cent candy bars.

Youth Action Committee officials announced following an executive meeting that they would promote a drive for reduction in the price of chocolate bars. A meeting of all members has been called for Sunday evening at 7:30 at the Y.W.C.A. Plans are expected to be made for the proposed boycott.

Officials of the group said there was a strong possibility Sunday night's meeting would set up the machinery for making placards and other necessary equipment.

Ultimate objective of the campaign will be to reduce the price of chocolate bars to six cents or lower.

Meanwhile, boys belonging to the Y.M.C.A. boys' group decided against backing the strike. A "Y" boys' worker said it appeared the boys had discussed the matter at school and had decided to forego any strike action.

Wholesalers in the city yesterday said candy manufacturers maintained it was "utterly impossible for them to operate economically on the former basis."

NANAIMO, April 25.—Children of all ages at Nanaimo, Ladysmith and Chemainus continued today their boycott of eight-cent chocolate bars, with signs of support from other communities throughout Vancouver Island.

"Chocolate bars at eight cents each have little appeal to teen-age boys and girls here," said Earle Bowen, president of the Nanaimo Teen Club.

"The club is in sympathy with boys and girls of Ladysmith, Chemainus and other Island towns where demonstrations have been

Union Allows Bootleg Coal

GLACE BAY, N.S., April 25 (CP).—The District 26 executive board of the striking United Mine workers (C.C.L.) today lifted its ban on mining and trasportation of bootleg coal for "domestic" use.

Shortly after the board lifted the crop coal ban, pickets were withdrawn from the Sydney-Glace Bay highway, main artery of the bootleg coal traffic, and a picket shack was torn down.

The ban on the mining and transportation of coal from the illegal crop pits and abandoned workings was promulgated by the union several weeks ago because it considered the sale of such coal was tantamount to strike-breaking.

Union regulations were that a miner could dig only a ton of coal monthly for his own use while hospitals were to be supplied with fuel at the cost of trucking.

Plan for Hotel At Port Alberni

PORT ALBERNI, April 25.—Plans for a new fireproof 54 to 60-room hotel on Third Avenue North, to cost between $150,000 and $200,000, are being discussed by Homer Demers and his partner, Harold Humphries.

They secured an option to purchase the property for $15,800 this week.

Port Alberni has been without a modern hotel since the Somass Hotel on Kingsway North was gutted by fire on February 17.

Two 'Quakes Are Recorded

LESTON, Mass., April 25 (AP).—A "fairly strong" earthquake 3,115 miles east southeast of Boston, in the vicinity of the Cape Verde Islands, was recorded on the Boston College seismographs at 1:45.26 p.m. C.S.T., yesterday, the station reported today.

The station said the quake lasted about two hours on the seismograph record.

Closely Guards Atom Bomb Secrets

FRANK J. Wilson, recently appointed security and information head for atomic energies, is conferring here with Carroll Louis Wilson, his nephew, who is general manager of the Atomic Energy Commission, and was one of the "insiders" in the development of the atomic bomb. David E. Lilienthal, guardian of the atom, warned recently that the United States is losing its head start in the atomic race. He declared its secrets will continue to be closely guarded, citing Mr. Wilson's appointment as an example.

Two Men Missing in Airplane Now Safe at Separate Points

EDMONTON, April 25 (CP).—Two men, missing in the vast wilderness of Alberta's Peace River District for almost three weeks, were reported safe today. The men, Spencer Addeman of Calgary and L. J. Blakesley of Bismark, N.D., walked into different Northern settlements within 24 hours of one another, after hope of finding them alive had been virtually abandoned.

The Associated Airways aircraft, in which they took off from Edmonton on April 5, was en route to Embarras, Alberta, north of Fort McMurray. When they failed to reach their destination, search planes were sent to investigate and an intensive search by both R.C.A.F. and civilian planes failed to locate either the men or their aircraft.

The plane was piloted by Addeman, a veteran ferry pilot of the World War. Blakesley, an American businessman, was the only passenger.

First indication that the men were still alive came last night when Tom Fox, manager of Associated Airways here, received a message from Little Red River, 400 miles north of Edmonton. The message, signed by Blakesley, said "Am at Little Red River. Will send message in morning. Please stand by." However, no further message had been received late today.

Today, a message was relayed from Fort Vermilion over Canadian Pacific Air Lines transmission facilities, telling of the arrival there of Addeman with an Indian guide.

The trading posts are about 45 miles apart. Airways officials here believe the two men separated after their plane was grounded, one traveling east and the other west.

It was believed the men might be flown out to Edmonton tonight if their condition warrants further travel.

Frank Addeman, father of the pilot, yesterday chartered three planes to continue the search for his son, after the R.C.A.F. had retired from the search. However, the search was cancelled after Mr. Blakesley's message was received last night.

$50,000 Repairs to City Hall Needed If By-Law Rejected Says Inspector

An estimated $50,000 to $60,000 must be spent on repairing the 72-year-old City Hall if the by-law for sale of the building for $176,000 is turned down by ratepayers May 1, according to a statement made yesterday by J. W. Oosterink, city building inspector.

He said the roof of the structure is rotten and must be replaced. In addition to replacement of plumbing and other major alterations.

"After spending this large sum of money we would still have a building that is not suitable for the purpose," he declared.

A new City Hall, with modern fireproof construction, could be built for $250,000. It would be set well back from the street and surrounded with grass and shrubs on a site to be chosen by a vote of the people on the alternative sites recommended by the Town Planning Commission.

In addition to the $176,000 received from the sale of the present City Hall, moving of the welfare department into the new building would permit sale of the Duck Block for an estimated $40,000, Mr. Oosterink explained. Construction of a department store on the site of the present building would bring the city an extra $10,000 a year in taxes.

"The public must make the choice between spending a large sum of money on the old building, which will continue to be outdated and unsuitable, or approving sale of the building and bringing in the major portion of the amount which would provide for construction of a modern structure," Mr. Oosterink declared.

"I do not consider it is good business to spend a lot of money on a building which we cannot expect to continue to use indefinitely."

Endorsing the statement made by Mr. Oosterink, Ald. Edward Williams pointed out the sale of the present building had been approved by the entire City Council with the exception of Ald. B. J. Gadsden, who had contended the time was not ripe for construction of a new building.

He also drew attention to the fact that the price offered by Hager & Swayne Ltd., was considerably in excess of the evaluation placed on the present City Hall and site by independent appraisers.

Costly Prince Rupert Blaze Leaves 50 People Homeless

PRINCE RUPERT, April 25 (CP).—The Clapp Block, pioneer business and apartment building, and the adjoining Shortridge Apartments and an army garage were destroyed by fire early today with loss estimated at $100,000.

Fire Chief H. T. Lock is in hospital suffering from smoke and shock after being trapped in the basement, and many other firemen suffered minor burns, bruises and abrasions in the five-hour battle to subdue the flames.

Fifty occupants of the two apartment buildings, located at the corner of Second Avenue and McBride Street, escaped without injury through smoke-filled halls.

Fire Chief Lock was trapped in the basement by the sudden collapse of floors and walls in the Clapp Block. He was rescued by Police Chief L. A. N. Potterton who fought his way through burning debris.

The Clapp Building, in addition to twelve apartments, also housed a large second-hand store of George J. Dawes and a cabinet and upholstery shop operated by B. J. Lovin. The Shortridge Apartment was a smaller structure. Prince Rupert's $200,000 Civic Centre, situated immediately across the street from the destroyed buildings, appeared in imminent danger for a time but was saved by careful watching.

The fact that Mrs. Charles M. Lowen, one of the occupants of the Clapp Block apartments, sat up late to read may have been instrumental in the saving of life. She detected smoke, soon found the building was on fire, and rushed from apartment to apartment, rousing the sleeping dwellers who dazedly hurried out.

London Meeting To Study Case Of Newfoundland

LONDON, April 25 (Reuters).—London political quarters today awaited arrival of a Newfoundland delegation which will discuss with the British Government and particularly Dominions Secretary Lord Addison and financial implications of various proposals now being considered for Newfoundland's constitutional future.

These proposals are:

1. A reversion of self-rule with Dominion status as before 1933.

2. A continuation of the commission of Government which was instituted following the island's financial crisis in that year and which has continued since.

3. Federation with Canada.

The delegation is led by Gordon Bradley, chairman of the national convention of 45 Newfoundlanders elected last year to consider the proposal of the British Government to review the alternative constitutional courses open to Newfoundland.

Children Strike

Continued from Page 1

staged against the increase in the price of chocolate bars, but no plans have been made here for a public protest. Boys and girls are simply not going to pay eight cents for bars," Earle added.

It is understood that several groups of boys and girls are discussing plans for the picketing of shops on Saturday.

LADYSMITH, April 25.—The buyers' strike against eight-cent chocolate bars is in full swing here. Pickets were in front of all confectioneries after school, and large banners printed by children were prominently displayed.

Chocolate bar sales fell off sharply. The Odeon Theatre reported sale of 40 bars Thursday night, compared with an average of 200.

Any adult seen purchasing a chocolate bar was made extremely uncomfortable by the jibes of children. Several youngsters who weakened and parted with eight cents rapidly lost friends.

"The rise in price is in proportion with the increase in the cost of other articles purchased by children, particularly soft drinks," a storekeeper commented.

"If this price gets away from us all, the rest will too, and then where will we be?" a teen-aged boy retorted.

Students of Ladysmith schools paraded through the business district to and from classes, wearing small yellow tags on which were printed "I don't buy eight-cent bars. Non-bars co-op. Join the union."

CHEMAINUS, April 25.—Chemainus children are more resolved than ever not to purchase eight-cent chocolate bars. Tempting displays in the stores failed to elicit anything more than stony stares and spirited comment about "being robbed." Even boxes of chocolates remained on the shelves and in windows.

Adults who purchased chocolate bars in many cases were soundly berated by their children for not supporting the boycott.

A large number of adults are heartily in sympathy with the children's protest against the increase in the price of chocolate bars. A storekeeper offered a resident a whole box of bars, and he replied:

"What? Let these kids down? Nothing doing. Too bad adults don't organize a boycott if they raise the price of butter and glut the market. We are doing without butter now, like the kids did without chocolate bars for a long time."

Some persons feel the real test will be Saturday night when the children troop to the early picture show with their own money at 7 p.m.

May Day mass open air public meeting at the bandstand, Beacon Hill Park, 2:30 p.m., May 1. Prominent labor speakers will outline labor's 1947 campaign to "roll back prices 10 per cent" and "raise wages."

Making Change In Schedules Of Coach Lines

Coincident with the advent of Daylight Saving Time, Vancouver Island Coach Lines' schedules will operate on fast time, it was announced yesterday by officials of the company.

Services to and through the municipality of Saanich and interurban lines to Sidney, Deep Cove, Salt Spring Island, Brentwood and Tod Inlet will operate the present schedules on Daylight Saving Time basis.

Up-Island schedules, however, running from Victoria to northern Island communities, while operating on Daylight Saving Time, will be changed to conform with steamship connections at Nanaimo to and from Vancouver.

The new Up-Island schedules will be as follows: (All times shown are Pacific Daylight Saving Time)—Leave Victoria for Duncan, Nanaimo, Port Alberni and Courtenay-Campbell River, 9 a.m., 11 a.m. ("The Islander Limited"); 1:30 p.m., 4 p.m., 7 p.m. and 10 p.m., on Sundays only. Arrive from the north at Victoria—11:20 a.m., 5:10 p.m. ("The Island Limited"); 6 p.m., 9:15 p.m. and 1 a.m.

Similar changes will be made covering service from Nanaimo to Courtenay and Campbell River, Nanaimo to Port Alberni, and Duncan to Lake Cowichan and Youbou.

The Sooke-Jordan River schedule will be altered one hour on the afternoon trip to Sooke and Jordan River so as to assure a connection with the arrival of the boat from Vancouver. The new Daylight Saving schedule will be leaving Victoria at 5:15 p.m. daily except Sunday, 9:30 p.m. Sundays only, leaving Jordan River at 8 a.m. daily except Sunday, 5:30 p.m. Sundays only, and leaving Sooke 9 a.m. daily except Sunday, 6:30 p.m. Sundays only.

It was pointed out these changes do not constitute the Summer service on the main lines, but will apply, effective Sunday, until the Summer change is made during the month of June.

Gunman Kills Police Officer

HOOD RIVER, Ore., April 26 (Saturday) (AP).—A gunman killed State Patrolman Delman E. Rondeau, 32, almost at the door of the police station here late last night, then escaped after failing to break into a service station.

Police set up a road block early today in an attempt to trap the killer.

Rondeau apparently saw the man attempting to break in. He called into the city police station for aid, then ran toward the service station, 75 feet away. A gun duel followed with Rondeau firing five shots. A bullet in the chest killed him.

Police found an ex-army surplus truck abandoned across the street. In it were three rifles and two shotguns. One of the rifles, a .22 calibre, was believed the death weapon. The truck had a Washington State licence.

Police Grab Punchboards

VANCOUVER, April 25 (CP).—Police tonight announced the seizure of 281 punch boards and push cards, with a potential value of some $1,500, in a raid on a downtown Vancouver business establishment. The seizure, made under the Lotteries Act, included 229 boards valued at $1.50 to $50 each, and 36 large and 16 small punch boards. No arrests were made.

Seaman Qualifies As Blast Witness

GALVESTON, Tex., April 25 (AP).—The admiral now figures the seaman is a qualified witness.

During the United States Coast Guard hearing yesterday on the Texas City disaster, Rear Admiral Gordon T. Finlay, chairman, interrupted Henry W. Johnonett, crew member of the freighter High Flyer, to comment that perhaps the seaman-witness had been too excited after the explosions to give a clear picture of what had happened.

"Oh, this has happened to me before," Johnonett replied. "I had three ships blown up under me during the war."

"I guess you're well qualified and experienced in ship explosions," Finlay said with a smile. "Go right ahead."

Vancouver Board Ousts Constable

VANCOUVER, April 25 (CP).—Upon instructions from two police commissioners and Acting Mayor George Miller, Const. Albert Spence, 25, was today dismissed from the city police force, after he pleaded guilty to a charge of assault inflicting actual bodily harm.

Spence pleaded guilty Wednesday to assaulting Jack Cook, 17, two weeks ago.

Defence Counsel Gordon Scott claimed the constable had been suffering from the effects of shell-shock suffered during the war.

Lying Charged In Blast Query

GALVESTON, Texas, April 25 (AP).—Rear Admiral Gordon T. Finlay, chairman of the Coast Guard Board investigating the Texas City disaster, charged here today that some of the witnesses who appeared before the inquiry group "lied in their testimony."

"It's apparent someone is lying," Finley said. "We've had too many contradictions about too many points."

During the morning, Mayor J. C. Trahan, of Texas City, told the board that the explosions and fires that wrecked his city last week claimed the lives of 433 known dead. He said 128 persons are missing.

Dollar Hits Low for Year

NEW YORK, April 25 (AP).—The Canadian dollar (free rate) today reached the lowest level since September, 1945, closing at a discount of 9 7-8 per cent, or 90 1-8 U.S. cents, a decline of 1-4 of a cent.

Last July Canada pegged its official dollar at par with the United States dollar.

Urges Canteen Funds Unite for Disbursement

OTTAWA, April 25 (CP).—The Canadian Legion recommended today that canteen funds of all three services be brought together for disbursement under a single directive body, and predicted, in effect, that moneys available to them would be considerably in excess of $10,000,000.

Lt.-Gen. E. W. Sansom, of Fredericton, chairman of the Legion's national canteen funds committee, presented a seven-page brief to the Commons' committee studying disposal of at least $5,500,000 in army canteen funds. The navy and air force have already channelled their profits into separate benevolent funds.

Gen. Sansom said the Legion recommended that an army fund parallel to those of the other services be established and that all three should "follow the same guiding principles in respect to purpose and operation and be governed by a common directive or administrative setup." They would, however, not be pooled. Such action would "be economical and establish uniformity of treatment of all veterans."

"It does appear as though the representation of the rank and file veteran is somewhat insecure in the present setup of the navy and air force. This could undoubtedly be attained by a closer tieup with veteran organizations," he added.

Detailing the administrative setup it thought best, the brief urged that top control be vested in a five-man committee composed of the heads of the three services funds and representatives of the Legion and the National Council of Veterans' Associations.

Those appearing with Gen. Sansom included J. Harper Prowse, of Edmonton; J. J. Kelly, of Winnipeg, and A. Embury, of Regina.

Gen. Marshall Returns Home

BERLIN, April 25 (AP).—State Secretary Marshall left Berlin today for Washington, to report to the American people on the Moscow conference.

He reiterated to reporters here his disappointment over failure of the ministers to "get more agreement on fundamental issues" and write an Austrian treaty, but added:

"I do not think the difference of opinion between Russia and the Western Allies was increased at Moscow. It was clarified. We came to a clear understanding of what were the disagreements."

King on Way To Montreal

NEW YORK, April 25 (CP).—Prime Minister Mackenzie King left tonight by train for Montreal, en route home to Ottawa after a 3 1-2-week holiday in the United States.

Planes Will Spray Crops on Mainland

OTTAWA, April 25 (CP). — Crop-dusting and spraying by aircraft will be carried out in the Fraser Valley area this year as a result of approval by the Air Transport Board today of a special licence to a British Columbia company.

The firm, Skyway Air Services, Ltd., will operate from Vancouver. In making the announcement, a board official said the Provincial Agriculture Department had reported that approximately 10,000 acres of valley farm land might require dusting and spraying this year.

Dumping of Cans Brings Protest

Petition protesting the dumping of tin cans in the old brickyard at the south end of Maple Street was sent to the City Council yesterday by 13 residents of the surrounding area.

They complained the dumping was a health menace.

"The practice has already caused a foul smell which will attract rats and flies," the petition stated. "The flies and rats will carry germs and our cats will go there to catch the rats and them come in our houses."

In addition, it was stated, the dumping of cans will cause a health hazard to small children who play in the area.

The public works committee of the council recently ordered the dumping as a means of preventing them from being washed up on city beaches after being dumped at sea. The plan was to cover them with earth.

STORM HALTS JUSTICE

REGINA (CP).—Justice was halted recently. An R.C.M.P. car was forced to turn back in its attempt to reach Regina jail to bring four prisoners in for trial by the storm that swept the prairies. Their case was adjourned till the weather moderated.

Victoria Sea Cadet Will Make Trip to England

—Colonist Photo.

P.O. Robert Rice, 17, of the Royal Canadian Sea Cadet Corps Rainbow, of Victoria, is pictured above being congratulated by Forrest L. Shaw, president of the Victoria branch of the Navy League, after being selected as one of three British Columbia Sea Cadets who will pay a good will tour to England this Summer. At the left is Chief Petty Officer Robert A. E. Ball, 17, of R.C.S.C.C. Amphion, Nanaimo, who will be an alternate.

City Cadet Represents Island On Goodwill Tour of England

A 17-year-old Victoria Sea Cadet, Petty Officer Robert Rice, of the Royal Canadian Sea Cadet Corps Rainbow, yesterday was selected to represent Vancouver Island on a good will tour of England to be conducted some time this Summer for a group of 25 Sea Cadets from across Canada.

Runner-up in the contest was Chief Petty Officer Robert A. E. Ball, 17, a member of the R.C.S.C.C. Amphion, of Nanaimo. His home address is 56 Erwin Street, Nanaimo. P.O. Ball lives in Victoria at 1416 Wende Road.

The goodwill trip to England, details of which are to be announced at a later date, has been arranged through the Navy League of Canada and the Navy League of England. Last year, a group of United Kingdom sea cadets visited this country.

P.O. Rice is one of three cadets to be chosen from British Columbia, and he will represent Vancouver Island. He is a student at Mount Douglas High School.

The selection was made yesterday afternoon at Prince Robert House. Gathered to make the decision were Cmdr. A. C. Wurtele, Cmdr. R. P. Kingscote, and Lieut.-Cmdr. P. W. Tribe.

Navy League officials attending the ceremony included Forrest L. Shaw, president of the Vancouver Island division; Cmdr. C. W. Tummonds; E. F. (Ted) Fox, E. Stoneham, Dr. E. W. Boak; and Lieut.-Col. T. Moore, E.D. executive secretary of the Vancouver Island division.

DRYDOCK C.P.R. SHIP

Continuing with the annual program of overhaul and repair for its coastwise passenger vessels, the C.P.R. Coast Service yesterday sent Ss. Princess Alice to the Government drydock at Esquimalt.

Late yesterday morning the Ss. Princess Norah was taken from the basin, and returned to the Inner Harbor docks. Towing work for these vessels is done by tugs of Island Tug and Barge Ltd.

RECOMMEND AMENDMENT

An amendment to the traffic by-law compelling hotel owners and other commercial establishments to paint and maintain markings for loading zones will be recommended to the City Council Monday, it was announced following a meeting of the public works committee yesterday by Ald. Dr. J. D. Hunter, chairman.

Acting on the new policy, the committee decided to recommend granting of a hotel zone to the Windermere Hotel provided the operators agree to paint the zone and maintain it.

In the past the city has borne all the cost of painting these areas.

HOSPITAL SWEEPSTAKES

Amendment to the Criminal Code of Canada permitting attorneys-general to authorize hospital sweepstakes was advocated in a resolution passed unanimously by the Victoria and District Zone Council of the Canadian Legion.

Rising hospital operating costs and increased rates placed on patients made the sweepstake move necessary, officials stated. It was claimed that no objection could be taken to this as the Government already legalized gambling at race tracks and that hospital sweepstakes would be a great benefit to the public as a whole.

MEASLES EPIDEMIC

Measles epidemic in Saanich and Victoria showed a slight upward trend last week with 77 cases reported in Esquimalt and Victoria and 85 in Saanich, Dr. J. L. Murray Anderson, medical health officer said yesterday.

The previous week there were 53 cases in the city and Esquimalt and 51 in Saanich.

The first two cases of Salmonellosis this year were also reported, he said.

Total number of babies suffering from infantile diarrhea now numbers 40, Dr. Anderson said, although no new cases have been reported in the past few days.

ADDRESSES CONFERENCE

Stating that there was a loss of 20 to 30 per cent of forest growth through mortality caused by blowdowns, root diseases, fungus and insects, J. L. Alexander of Victoria, told delegates attending the second annual Olympic Logging Conference at the Empress Hotel yesterday that utilizing forest growth completely without loss was a challenge to present-day loggers.

A member of the B.C. Forest Service, Mr. Alexander advocated extensive study to eliminate the loss which was cutting down forest yields.

TAX OFFICE OPEN

The office of the Director General of Income Tax, 403 Belmont Building, will be open for the convenience of the public until 6 p.m. Monday, Tuesday and Wednesday of next week.

SAANICH LIBERALS

Saanich Liberals Association will hold a card party at Liberal Headquarters Wednesday at 8 p.m. Travelogues will be shown and prizes awarded for card winners. Members and friends are invited.

REQUIRE CANDIDATES

Candidates are required for entry in the Royal Canadian Navy for air crew duties as pilots and observers, it has been announced.

Applicants must be medically fit, between the ages of 18 and 20½ years, possess senior matriculation and be willing to serve a seven-year commission in the Royal Canadian Navy (Permanent Force) followed by a five-year commission in the R.C.N. (Reserve).

Anyone interested should apply to the R.C.N. Recruiting Office, 1238 Government Street.

NAME DIRECTORS

Directors elected to the board of the Recreation Council of Greater Victoria at the annual meeting were Councillor G. V. Bishop, E. J. Costain, B. J. Duncan, Don Eliott, Dr. R. Felton, Doug Fletcher, R. A. Freemantle, G. Gordon, J. Halstead, Miss E. J. Herbert, Dr. Olga Jardine, Eric G. Jones, Rev. T. L. Leadbeater, Mrs. R. H. McInnis, Mrs. H. Mackenzie, E. Miller, Lt.-Col. T. Moore, Ald. F. G. Mulliner, P. C. Payne, E. Popham, I. Temple, Mrs. A. J. Tullis, F. Tupman, W. H. Warren and Brock Whitney.

ANNUAL EXCURSION

Members of the California Press Association will again hold their annual excursion to Qualicum Beach, and the delegation is scheduled to reach this city from San Francisco on the morning of May 3.

They will proceed to the Qualicum Beach Hotel, where all arrangements have been completed for their accommodation. Assisting in these plans was George I. Warren, commissioner of the Victoria and Island Publicity Bureau.

The press party will leave the Up-Island resort May 8, and will leave this city that same afternoon for Seattle.

Among events planned are a special trip to Forbidden Plateau, an excursion to Vancouver, special bus trip to Port Alberni, and shopping tours in Victoria.

B.C. Plumbers Choose Officers As Two-Day Conference Opens

E. W. Garrod, of West Vancouver, was elected president of the British Columbia section of National Association of Master Plumbers and Heating Contractors of Canada at the opening session yesterday of a two-day conference at the Empress Hotel.

Vice-presidents elected were H. E. McConghy, Vancouver; W. L. Menzies, Victoria, and C. Van Boeyer, Vancouver, was elected treasurer.

Appointed to the executive were Frank Morgan, W. G. Wheatley, Pal Hunden and R. Hole, all of Vancouver; Al Petch, Victoria, and D. Gordon, Nnanaimo.

M. L. Barr, retiring president, in an address yesterday stressed the need of provincial plumbing code to raise the standards of installation and sanitation in the province. He addressed more than 60 delegates from all parts of British Columbia.

Mr. Barr said the plumbing association would seek legislation to raise the standards of plumbing throughout the province and to improve business ethics of the industry.

National President Walter Leek, Vancouver, urged the organization to establish an overall national program dealing with education and business ethics, but which would not interfere with the business practices of individual provinces. Mr. Leek said he wished all trades were national in scope as it improves national unity and aids industry.

E. M. McCaffrey, retiring secretary, urged reconsideration of a "Red Seal" of good plumbing approved by the 1946 national convention. He pointed out that such a trade mark would help to raise the standard of good plumbing.

MEAT SHORTAGE

Worst week of the present meat shortage is now being experienced in Victoria, according to dealers, as meat queues took the place of butter queues.

Many dealers reported selling out by 9:30 yesterday morning and according to Reginald Williams, president of the Retail Meat Dealers' Association, the packers cannot buy the beef to sell at a profit at the present price ceiling, consequently they are not bothering to market it.

Service Monday For Dr. Willis

The body of Dr. S. J. Willis, chairman of the Victoria College council and former deputy minister of education for British Columbia, who died Thursday, will lie in state at Metropolitan Church for three hours prior to the funeral which will take place at 3 p.m. Monday.

Funeral service will be conducted by Rev. A. E. Whitehouse.

Burglars Take $439 in Cash

The sum of $439 in bills was taken when thieves broke into the Shasta Cafe, 1009 Government Street, early Thursday morning, city police reported yesterday.

Police said entrance was made over the roof of the Island Farms Co-operative Association building. A wire screen was removed from a window leading to the cafe building.

A padlock was removed from the door of a cupboard near the front window, police reported.

According to Miss L. Antrobus, an employee, the building was entered some time between 2 and 6.35 a.m.

Detective Louis Callon is conducting the investigation.

Total for Fund Reaches $2,673

THE sum of $322 was brought to the City Hall yesterday by contributors to the Mayor's Fund for sending parcels to Britain. The total now stands at $2,673.

Among those calling at the City Hall were four small Brownies, who brought in $5 from the 1st Victoria Brownie Pack.

Developments In Strike Will Be Topic

All members of the Victoria Shipyard Workers' Federal Union 238 (A.F.L.) will meet at 2 p.m. tomorrow in the Boilermakers Hall, 902 Government Street, to discuss recent developments in the strike affecting Yarrows Ltd., George Wilkinson, secretary of the A.F.L. Trades and Labor Council, announced yesterday.

Mr. Wilkinson said the meeting is being held to give members the opportunity to express their opinion on various policies that were set at recent meetings and to determine whether any changes are desired.

Officials of A.F.L., C.C.L. and Yarrows Ltd. said yesterday there were no new developments on the strike front. Meanwhile, Labor Minister George Pearson announced he had received no appeal from the affected parties to set up a conciliation board.

HONGKONG, April 25 (Reuters).—Permits to import gold into this British colony will no longer be issued and all outstanding import permits have been canceled, it was announced today.

Milk Board to Conduct Survey Of Area's Distribution System

The Provincial Milk Board will conduct an immediate survey of the milk distribution system in Greater Victoria to determine future action by the board in establishing the milk dealers' spread.

This was announced yesterday by Ernest C. Carr, chairman of the one-man board, following intimation of the Government's approval of an order increasing the price to primary producers on Vancouver Island for fluid milk from $3.25 to $3.65 per 100 pounds.

The 40-cent increase is equivalent to one cent a quart, but price to consumers meantime will not be increased, pending completion of the survey.

The new order gives primary producers all they asked for in public hearings before Mr. Carr in Victoria April 9.

Although the meeting was widely advertised and notices sent to all persons and organizations concerned, consumer interests were not represented at the hearings.

EXPRESS DISAPPOINTMENT AT LACK OF INTEREST

"The board feels justified in expressing disappointment at the lack of interest shown by the general public," Mr. Carr commented yesterday.

He said intention behind the latest increase was to stimulate milk production on Vancouver Island for the fluid market and reduce the volume of imports from the Mainland.

Last year, an average of 25 per cent of milk sold in Victoria had to be brought in from the Fraser Valley. During Autumn and Winter months the percentage of imported milk rose as high as 45 per cent.

Transportation from the Mainland costs 75 cents per 100 pound can, bringing the cost of imported milk up to $3.85, against the $3.25 now being paid to local producers.

For the time being at least, distributors will absorb the extra 40 cents to be paid to producers, balancing it against the $3.85 they would have to pay for Fraser Valley milk.

"With a greatly reduced volume of milk required to be imported during the Spring and Summer months, it is felt the new producer price can be paid without interfering with the position of the milk dealers," Mr. Carr explained.

"Producers have stated that with better returns production can be increased. The board recognizes that an increase in production sufficient to take care of all requirements of the Greater Victoria area cannot be accomplished in a short time.

"Therefore, if the increase this year is not large enough to obviate the necessity of importing milk, some adjustment may be necessary in consumer prices to cover additional costs involved.

"Any adjustments which may become necessary will be related only to the actual cost of handling and transporting milk required to be imported from outside the area."

Why in Camera?

Scarcely a week passes without one or other of the municipal bodies of Greater Victoria ducking out of public sight by resolving itself into a committee in camera. This is an entirely untoward proceeding for persons elected to public office. The electors who chose them did not do so in order to confer membership in a secret society. Council meetings are, or at least should be, open gatherings at which citizens are entitled to be present or represented. Elected officials are merely acting in the public's behalf, usually by virtue of their own desire. In no sense does the business they transact come under the heading of private affairs.

It should not be lost on municipal groups that sittings of the Legislature are wide open to the public, whether the House is in session or in committee. A secret session of the B.C. Legislature is unheard of, and would rightly be deemed a most peculiar affair by the public at large. The same official practice should hold good for governing bodies functioning on a lower level. The ebb and flow of debate, the discussion of pros and cons, are as essential to public understanding of any issue as the decision arrived at; in some cases more so, in fact.

On the whole Victoria City has a good record in this regard, one that might well be taken as an example by Saanich and Oak Bay municipalities, for instance. The City Council makes available for public information practically all matters dealt with, and its meetings are not usually transformed into secret conclaves. Even Victoria councillors lapse from grace on occasion, however, particularly in connection with the transportation issue, a question of vital concern to the public and one in relation to which no valid details should be withheld.

Oak Bay Council, unfortunately, shows a preference for sitting in camera that is not in accord with true democratic practice nor in the best interests of the people of that municipality. It is not good enough that the most important items on the agenda should be deliberated behind closed doors, with a skeleton statement issued later for public consumption. The public is entitled to know, precisely and in detail, the manner in which its affairs are being carried on, not simply what officials decide should be made known.

It is surprising that elected officials do not appreciate this, nor recognize the invidious position in which they place themselves when they go into a secret huddle. In discussion of public matters there should be nothing to hide. Camera sessions give rise to suspicion and misconstruction, and are wholly out of place in this day and age.

The Chocolate "Strike"

That popular comic opera, "The Chocolate Soldier," is said to have been based on a play by Bernard Shaw, "Arms and the Man." If the witty Irish playwright were in British Columbia today he might find another theme for his pen in the chocolate-bar "strike" conducted by the youngsters of Chemainus and other Up-Island points. It is a sign that the strike mania of the age has penetrated even to school children, and what could stimulate it more than action that threatens to curtail the sweet tooth of childhood of one of its prime enjoyments?

In some respects this is the chocolate age. Within the past year anyone walking along Fort Street on certain days at noon might have observed a long line-up of adults gathering an hour in advance for the opening of stores where chocolate is sold, evidence that not only the young, but their elders also, hunger for this toothsome morsel. Though cocoa and chocolate are derived from the same bean, the latter appears to have become the aristocrat, while cocoa remains the plebeian of the breed. Hence, in some establishments, a drink may be served as cocoa in the kitchen and chocolate in the parlor, though both come from the same tin.

The Up-Island children's action is a sign that the luxuries of one age are regarded as the necessities of the next. It is doubtful whether children would stage a boycott because of an advance in the price of milk, but deprive them of their dainties and the juvenile picket line arises in its might. Just how far it will go remains to be seen, but grown-ups are sometimes very much like children in this respect.

International Vacuum

It is said that nature abhors a vacuum, and so does the political world. The war has left several of these great voids among the nations, but by far the most serious is that of Germany. Before the war there were several great, or near great, powers. These included Great Britain, the United States, Russia, Germany, Japan, France and Italy. Today only three of these remain as effective, filling forces. Germany and Japan are among the vanquished. France is still in a state of unstable equilibrium, and Italy's vacillating course has left her effete and ineffective. The work of filling in the vanquished voids rests on the United States, Russia and Great Britain.

Owing to its great wealth and resources the United States is in a position to do the principal work in supporting the exhausted spaces. Russia, in spite of her vast resources, was badly crippled by the war, and so far seems to have done little for others beyond imposing her ideology on weaker adjoining states. Great Britain, though now in severely straitened circumstances, has nobly done her part in denying herself to assist defeated enemies, but there is quite evidently a limit to what she can do. The United States, therefore, will probably be called upon to shoulder the heaviest part of the burden, and [illegible] degree by smaller nations like Canada, Australia and South Africa, which emerged comparatively unscathed from the war.

The Allied administration under General MacArthur seems to be making progress with the Japanese situation, but Japan has not yet recovered from the vacuum state sufficiently to resume her former export and import trade. At whatever risk it is evident that Germany must be re-established as an industrial and trading nation. Either that or it will remain a vacuum sucking its substance from others, who cannot be expected indefinitely to feed and supply it.

Tag Day for Britain

The tag day to be held today in connection with the Mayor's Fund for food parcels for Britain is a special effort in a continuing campaign. Since it opened a few weeks ago in response to many requests the fund has grown steadily, not to great proportions, perhaps, but in a manner that indicates a general desire on the part of Greater Victorians to come to the aid of their less fortunate kin in the Old Land.

The merit of the food-parcels-for-Britain movement is beyond debate. The present economic stringency in the United Kingdom, the direct result of a tremendous war effort, is apparent to all who read the newspapers. So, too, is the relief to many individuals which these parcels will bring, no less than the gratitude with which they will be received. Individual parcels will be crated and sent in bulk, thereby cutting down the cost of postage, and they will be distributed in Britain by an accredited organization. All costs of collection are being borne by the city, thus ensuring that the maximum amount of food may be forwarded.

It remains only for Greater Victorians to respond generously to the appeal of the tag boxes to make certain of a substantial lift to the campaign. The Mayor's Fund will go on for some time. Today, however, provides an opportunity for practically everyone to make a direct contribution. Every coin or bill that goes into a tagger's box means extra food for the tables of needy individuals in Britain. That knowledge should spur as well as warm the hearts of contributors.

Move the Clock

With the advent tomorrow of Daylight Saving Time wisdom dictates that the clock be advanced an hour tonight before going to bed. The sixty minutes to be laid aside until Fall might seem to be retained by not doing so, but the result will be to lag behind the rest of the community; and an hour lost on waking is never caught up with during the day. What is dispensed with during sleep is never missed.

For the next six months Victorians, in common with many other Canadians, will enjoy the benefits of this popular measure. Lack of national direction, however, will cause certain shifts and changes between centres operating on different times. Most transportation companies will continue on standard time, although certain schedules will be advanced to coincide with Daylight Saving Time. It behooves intending travelers to note departure and arrival times with some precision, however.

Apart from that individuals may embrace the extra daylight with the enthusiasm it deserves. The temporary sacrifice of an hour's sleep is decidedly worthwhile.

Seen in Passing

As tent caterpillars begin their annual assault on plants and trees many horticulturists will be wishing with Longfellow that they would fold their tents like an Arab and silently steal away. More effective than a wish, however, should be the hint given by a recent correspondent in this newspaper, when he told how he had "gassed them" with a dose of motor car fuel.

Youth and Age

Verse, a breeze mid blossoms straying,
Where Hope clung feeding, like a bee—
Both were mine! Life went a-maying
With Nature, Hope, and Poesy,
When I was young!

When I was young?—Ah, woful When,
Ah! for the change 'twixt Now and Then!
This breathing house not built with hands,
This body that does me grievous wrong,
O'er aery cliffs and glittering sands,
How lightly then it flashed along—
Like those trim skiffs, unknown of yore
On winding lakes and rivers wide,
That ask no aid of sail or oar,
That fear no spite of wind or tide!
Nought cared this body for wind or weather
When Youth and I lived in't together.

Flowers are lovely; Love is flower-like;
Friendship is a sheltering tree;
Oh! the joys, that came down shower-like,
Of Friendship, Love, and Liberty,
Ere I was old!

—COLERIDGE.

The brave man is not he who feels no fear, for that were stupid and irrational; but he whose noble soul its fear subdues and bravely dares the danger which it shrinks from.

—JOANNA BAILLIE.

On the Record —

By DOROTHY THOMPSON

Again a stalemate has occurred in Moscow. This time it is over Austria, with whom no "peace treaty" is to be concluded. All the Allied Nations recognized Austria not as a belligerent but as a country conquered and occupied by Germany, the freedom and independence of [illegible] promised to restore.

Yet two years after the war Austria is still occupied by four foreign armies. In addition to Austria having to feed Soviet troops from a larder never sufficient for self-maintenance, the Russians are claiming "German" assets. These include things the Germans took from Austrians or others, while the French are demanding rigid restrictions on future Austrian manufacturing processes.

Thus, the miserable game goes on, with nations assuming that a country becomes more prosperous by reducing its neighbors to destitution—a total fallacy, as everybody ought to know, and a shameless repudiation of wartime promises.

Furthermore, what holds up an Austrian settlement is the Soviet demand that displaced persons in Austria should be expelled to the countries of origin. Secretary Marshall charged that this is Russian repudiation of the recent United Nations I.R.O. agreement which, indeed, it is.

But we all know that the Soviets will sabotage the agreement under which the million remaining displaced persons—in Austria, Italy and Germany—cannot be compelled to return to homes where Communist-directed Governments will regard them as political enemies to be liquidated or put at forced labor. Yet it is not only the Soviets who have been putting pressure on these people.

Last week General Clay warned the displaced persons in Germany that there was no certain provision for their future care—a plain hint that they had better go home. A recent order posted in Italian D.P. camps and signed by Col. C. P. Findlay, senior officer of the P.W. and D.P. deputation for Italy, might have been written by Soviet agents. It sneers at the very idea that Communism in a country is a valid reason for trying to escape it—or that persons who have repeatedly gone on record as being pro-democratic, pro-western, and anti-Communist have anything to fear from returning, and ironically asks, "How many who talk of Communism can say what it is?"

They can, of course, if they have been given an opportunity to read recent statements of President Truman and other American officials about conditions in Greece, Yugoslavia and Poland. And they must wonder whether all the western world is mad, trying to stop Communism in one place and swell its ranks in others.

The United States, Latin American, and the British Commonwealth have no need of I.R.O., U.N. or Russia to solve the D.P. problem. It involves fewer people than were resettled by Fridtjof Nansen and the League of Nations after the last war. All it demands is will, organization and planning. Less than one-fourth of the refugees are Jews; the rest are Yugoslavs, Balts, Poles and Ukrainians, almost all of peasant stock. All of them have proved that they prefer exile and the horrid conditions of their present camp live to living under Communism.

Alaska alone could absorb many of them with profit to itself. Continental United States, seriously in need of farm labor, could use them. Canada, Australia, South Africa, Brazil and Argentina all have plenty of room. Certainly the U.S.S.R. can exercise no control over the immigration policies of these countries.

The truth is we too often use the U.S.S.R. as a whipping boy for our own sins of omission and blame Soviet opposition for things we could easily solve ourselves, if we had a mind to do so.

AFTER THE STORM — By Reidford

American Border Patrols to Be Reduced

By HENRY W. HARRIS
North American Newspaper Alliance

BANGOR, Maine, April 25.—Men of the Customs Border Patrol tell a story that when the news broke that the patrol was going out of business through lack of funds, one inspector received a call.

"We're sorry to see you go, personally," he was told, "but we're glad the patrol is going. We expect to do very well, and you can go to work for us any time." Needless to say he turned down the job. Word that the patrol was to be eliminated also affected two men dickering over a border farm. The prospective purchaser had offered $2,000 less than the prospective seller would accept. "But," said the purchaser, "if the patrol goes, I'll pay the extra $2,000 for the farm."

How the patrol has prevented smuggling is difficult to understand when you consider that the whole Northwest Patrol, covering the Canadian border from the Atlantic to Wisconsin, has consisted of only 138 officers and men. Members of this patrol admit that they have been unable to prevent all smuggling, but no one has been able to make successful business out of it since prohibition days. A smuggler might get across a couple of times, but in the long run the patrol would catch up with him.

The patrol has attracted a very capable type of man who found that the life suited him and didn't mind his small pay. It has included former state policemen, attorneys, woodsmen, civil engineers, farmers, a few successful merchants who tired of the city, and even a couple of former professional boxers.

Though it consisted of first-class men, it has had a long stretch of border to watch. The inspectors worked in pairs, with beats varying in length, according to the terrain. One team had to cover a 35-mile stretch of the Maine border at least once a week.

It had certain advantages. It was in constant communication with the Royal Canadian Mounted Police, doing a similar job on the other side of the border, with which it swapped information of suspicious happenings. Each team got to know terrain of its beat, the main roads, the country roads in between, the paths.

Knowing woodsmanship, they knew where to watch for anything unusual, not only on the country roads, but also on the paths. And they learned to know the people in the villages and small towns of their sector. If there was a stranger in town he was either there on legitimate business or he wasn't. If he was not, an eye could be kept on him.

Since the end of prohibition and the disappearance of racketeer gangs from the border, members of the patrol have come to fit into the lives of the people, who ceased to be scared of them. In a number of towns members of the customs patrol have been elected in recent months to official positions. The inspectors know not only what people in town were smugglers, but also what people had inclinations toward smuggling.

When snows were deep the inspectors would use "snowmobiles" or "automotive toboggans" rather than cars. These were usually motor tricycles, with a ski for the forward wheel, two rear wheels driving with tractor power, and a side-car on skis. These would do 35 miles per hour in tough going, but "you'd get some awful spills."

Often the customs inspectors used snowshoes rather than skis. On water stretches, where quiet was important or depth was lacking, they operated in canoes. When they used these, the inspector-partners would travel together, because the strength of both was needed in making a carry. In other waters, outboards and patrol boats were found effective.

"What kind of things did they try to smuggle?"

"In Maine farm products mostly, though there were some furs. Potatoes—the Maine Potato Growers and Shippers, Inc., has protested against the abolition of the border patrol.

"A lot of meat was brought over. They often tried to bring over hay. I wonder if you realize that that was dutiable? I remember an attempt to bring over enough hay to sell for $5,000."

As things stand, the border patrol is to be abolished, except along one stretch. To go are not only the Northeast Patrol, but also the Northwest Patrol, along the Canadian border from Wisconsin to the Pacific, and the Southeast Patrol in Florida. To remain is the Southwest Patrol on the Mexican border, because there is a strong cattle lobby which does not want smuggling from the South.

The customs stations will remain along the main roads, but no one will watch the points between.

"It's like keeping the gates closed," says a Maine farmer, "but taking down the fence."

There are still many Victorians who remember arrival of the new Grand Trunk Pacific steamship Prince Rupert on June 10, 1910, in command of Capt. Barney Johnson. She was the finest vessel on the route between Victoria, Vancouver, Prince Rupert, Stewart and Portland Canal. On tying up at Pier "B" of the new Grand Trunk Pacific docks at the Inner Harbor, the ship was met by Premier Richard McBride; Hon. Thomas Taylor, Minister of Public Works; Hon. Dr. H. E. Young, Provincial Secretary; Hon. Price Ellison, Minister of Agriculture; Hon. D. M. Eberts, Speaker of the Legislature, and Mayor A. J. Morley. Prince Rupert, namesake of the vessel, was the third son of Frederick, Elector-Palatine of the Rhine, and Elisabeth, daughter of James I of England. The prince was known as a soldier of merit before he reached manhood, and at 21 came to England to support the Royalist cause. He later became the most brilliant martial figure in England. Some of the well known real estate agents of 1910 were: Tracksell, Anderson & Company, 1210 Broad Street; Stewart Land Co., Ltd., Board of Trade Building; Grant & Lineham, 633 Yates Street; Royal Realty Company, 615 Fort Street; Albert Toller, Imperial Bank Chambers; R. S. Day & B. Boggs, 620 Fort Street; Currie & Power, 1214 Douglas Street; Herbert S. Lott, Board of Trade Building; Swinerton & Musgrave, 1206 Government Street; Griffith Company, Mahon Block; William Monteith, 1218 Langley Street; Coles & Oddy, 1205 Broad Street; P. R. Brown, Ltd., 1130 Broad Street; B.C. Land & Investment Agency; Pemberton & Son, 614 Fort Street; Island Investment Company, Bank of Montreal Chambers; Green & Burdick Bros., Broughton and Langley Streets; Harman & Appleton, 534 Yates Street; Gillespie & Hart, 1115 Langley Street; J. E. Smart & Company, 1107 Langley Street; Plummer & Rideout, 1112 Broad Street; McPherson & Fullerton Bros., 618 Trounce Alley, and R. B. Punnett, Mahon Block.

TWENTY-FIVE YEARS AGO

From The Daily Colonist of April 26, 1922:

Birds Do Damage—Depredations by pigeons and poultry upon the tender up-spring shoots in many city gardens have occasioned frequent complaints to the police of late by indignant gardeners, who assert widespread damage is thus being done. Owners of such fowl are warned by the police to keep their feathered property within bounds.

FIFTY YEARS AGO

From The Daily Colonist of April 26, 1897:

The City—A big blaze in the vicinity of Race Rock yesterday morning gave to many Victorians the impression that the Dominion quarantine station of William Head was on fire. They were, however, a little astray. It was at Albert Head where the fire was, and instead of the quarantine building now serving a purpose being demolished, it was those which formerly stood for a similar duty. Captain Berry, on instruction, it is understood, of the Dominion Government, touched a match which completely obliterated the landmark of bygone years.

SEVENTY-FIVE YEARS AGO

From The Daily British Colonist of April 26, 1872:

Timber—Two splendid "sticks" went along Government Street on wagons during yesterday afternoon on their way to the site of the new Cathedral. We are informed they are to form the part of the tower. They were brought down from Burrard Inlet by the steamer Grappler on Sunday evening.

QUESTIONS PUNISHMENT

Sir,—In your issue of April 22, I read of a youth being fined $300 and costs (or jail term), for being in a beer parlor while under the age of 21 years, and $25 and costs for intoxication. Why this extremely severe punishment?

I don't wish to condone the offence (I hate drunkenness), but I consider the ends of justice would be better served by fining, instead, the person responsible for supplying this youth with the liquor to get drunk on.—C. I. GROVES, Cowichan Station, April 24, 1947.

ST. GEORGE'S DAY

Sir,—I think that your article commemorating this day takes on the aspect of wishful thinking. Hearts of oak and wartime accomplishments, we all realize, turned the scale of battle and increased the greatness and historical perspective of Britain's history, but St. George, as one of the seven Champions of Christendom, slew a dragon which surely symbolized evil in all its metamorphic forms.

The "right little isle" is in straightened circumstances today, and to say that "bank balances" don't count in the dragon net of evil to which a nation, as an individual, has to reckon, and has to fight and slay, is putting it mildly, and uncomplimentary to the spirit of St. George.

Furthermore, the government in power is the power by which national greatness lives or dies, succeeds or fails.

Great Britain has today a government unrepresentative of the British people, and returned by a minority vote. Like Communism, Socialism is a dangerous force, and even though it be less evil it has the seeds of disruptive growth such as finally was the undoing of the Roman Empire. Even hearts of oak are subjected to the evil of self-deception.

When democracy evolves a system of representative government to uphold the ideal expressed in the well-known dictum of Abraham Lincoln, and to expose the "currency juggle" as did John Stuart Mill in his day, we can look forward to peacetime victories that will overshadow any wartime accomplishments and so commemorate and celebrate St. George's Day for England in true and symbolic fashion.—R. B. SWALLOW, Royal Oak Post Office, Vancouver Island, B.C., April 23, 1947.

Brian Aherne To Visit Here

VANCOUVER, April 25.—Victoria and other West Coast cities will see many of their favorite screen heroes and heroines, including Frank Sinatra, if R.K.O. Productions has its way.

Yesterday Brian Aherne, well-known star of stage and screen, and his wife, arrived in Vancouver with Katherine Cornell and Wilfred Laughton.

Aherne and Cornell appeared on the stage of the Lyric Theatre where their show, "The Barretts of Wimpole Street," is playing.

The production will be shown in Victoria at the Royal Theatre, Monday, April 28.

An accomplished flyer, Aherne said he would like to come up on amphibious trips to Victoria and other beauty spots north of the line.

He and his wife will arrive in Victoria on a morning flight from Vancouver Sunday and plan to leave on the afternoon boat to Seattle. Miss Cornell and Laughton will return to the United States from Vancouver.

R.K.O. officials and stars foresaw a constantly increasing number of players visiting both Victoria and Vancouver in the near future.

APPEALS ADJOURNED

Appeals of John Milina and James McGaughey, both of Vancouver, against conviction on charges of breaking and entering were adjourned until May 1 when the Appeal Court rose at noon yesterday.

Both men were given sentences of two year less one day when convicted in Vancouver. They claimed there had been insufficient evidence to warrant the conviction.

It is far easier to make good defensive play against the dummy than against the closed hand. This somewhat obscure statement will be clarified in the following account:

West opened the heart jack and declarer won with the king. A club was now led to the king and a diamond was returned. East automatically played "second hand low" and South put in the jack.

West could have made things very comfortable for his adversary by holding up the diamond queen, but from his point of view it was possible that declarer had started with the A-K-J of diamonds, and if West had ducked with the queen, South could run the rest of the suit by laying down the ace and the king. Therefore West cannot be fairly criticized for taking the diamond queen and continuing with the hearts in the hope of running that suit. Obviously, however, South had another heart stopper with the lead coming from West, and he eventually finessed against the diamond king to bring home the contract.

Observe that if by chance the South hand had been exposed with North the declarer, it would have been elementary for East to shut out the diamond suit by the simple expedient of putting up the king second hand. In other words, when the four of diamonds was led, East would put up the king because he would not let the declarer duck that trick. Under the actual circumstances East should have made the same play because there was a very good chance that by putting up the king he would sever the connections between the closed hand and dummy.

Over-All Price Structure Remains Unbalanced in U.S.

NEW YORK, April 25 (AP).—The price structure of the United States remained out of balance today after a month of wide discussion sparked by President Truman.

Although reductions were spotted here and there, the American consumer found many prices unchanged and some increased.

too many "key commodities" were as yet untouched for recent spectacular reductions to be followed by a general retail decline soon.

Many retailers, in spite of post-Easter sales, slashes in hard-to-move goods, and publicized across-the-board cuts by communities, said they could do little about general price reductions until manufacturers did.

NEWBURYPORT, Mass., April 25 (AP).—Sales still booming, retailers in this city today prepared to extend indefinitely their 10-day experiment in "rolling back" prices 10 per cent on everything.

More communities—and wholesalers, too—throughout the United States were enlisting in the "Newburyport plan" as its sponsors insisted it was not a "mark-down sale."

VIRGINIA, Minn., April 25 (AP).—Virginia merchants who rolled back merchandise prices 10 per cent to help check rising costs expressed pleasure today at the response of buyers at the opening of the three-row.

SEATTLE, April 25 (AP).—Thirty-six merchants of the Madison Park shopping area reported today they had joined in a price reduction campaign and would roll back retail charges 10 per cent for a trial period of ten days.

WINDSOR, Ont., April 25 (CP).—A move to combat increased cost-of-living was made yesterday by eight merchants in Windsor's main East-Side shopping district who announced they had agreed to cut prices 10 per cent, effective tomorrow.

The 10 per cent price cut will apply to all goods except nationally-advertised articles on which prices are established by manufacturers and producers.

CALGARY, April 25 (CP). — The Calgary Housewives' and Consumers' League formed to fight price increases in foods and clothing agreed unanimously to join a Dominion-wide buyers' strike between May 10 and June 10 at a meeting last night. A definite list of articles will be placed on a black list.

THREE FARMERS KILLED

SHANGHAI, April 25 (AP).—Three farmers were killed today when a Chinese airliner ran into a nearby field while making an emergency landing seconds after taking off from the Shanghai airport. The five passengers and three crew members escaped unhurt.

Phone Strikers Cut Pay Demand

WASHINGTON, April 25 (AP).—The striking Federation of Telephone Workers today cut its wage demand in half—$6 a week—in conformance with the wage increase patterns developed in the last two weeks in steel, auto, and electrical manufacturing industries.

The offer, however, was rejected as "unacceptable" by George S. Dring, assistant vice-president of the A.T. & T. long lines division. Dring offered to arbitrate wages on a community basis, but this in turn was rejected by Moran.

Long Road Back

The upheaval of families during World War is slowly returning to some semblance of order, especially in Hungary and Czecho-Slovakia. This Hungarian mother returns to her native land from Czecho-Slovakia by boxcar with her two children, one of whom had never before seen her mother's country. The family is welcomed by a relative. In counterbalance Czechs living in Hungary are also returning to their native strand.

Mysterious Blow Struck

WINNIPEG, April 25 (CP).—Winnipeg's major mystery of the year was puzzling citizens more than ever today after officials at Stevenson airport denied that the missiles which fell last night—one through a downtown roof and the other into a nearby lawn—had fallen from an aircraft.

The first of the missiles—described as resembling parts of a broken fly-wheel—crashed through the roof of Miss Gladys Porter's home last night while she was instructing one of her piano students.

The second, lopped off a tree branch and buried itself two feet in a lawn.

Nobody was injured when the missiles fell, but Winnipeggers today were wondering where they came from.

Man's Request To Alter Plea Before Court

Decision on whether Dennis Walter DeLane, charged with retaining possession of stolen jewelry valued at $6,000, will be permitted to change his first plea of guilty to one of not guilty was again postponed by Magistrate Henry C. Hall in city police court yesterday after hearing argument from Joseph McKenna, defence counsel.

Placed on the stand by Mr. McKenna, DeLane said he had pleaded guilty at first on an understanding given him by police that no further charges would be laid against him and that his name would be kept out of the newspapers to save his family from humiliation.

Mr. McKenna argued that the defendant had made his plea of guilty before he had the benefit of counsel and had been subjected to some inducement by police. He quoted a number of authorities to sustain his argument.

City prosecutor Claude L. Harrison contended that not one word uttered by Mr. McKenna brought the case under the principles dealt with in the cases cited.

"IN" AT 100,000-1

PLACENTIA, Calif., April 25 (AP).—Owners of Nicky W., a five-year-old mare, say the odds were 100,000 to one against it but she foaled twins. The youngsters, Johnny, the colt, and Leanna, the filly, weighed 25 and 40 pounds, respectively, at foal and appear to be healthy offspring.

TO RATIFY PEACE TREATY

BUCHAREST, April 25 (AP).—Romania will ratify the peace treaty during the extraordinary Parliamentary session opening today, the Communist party' newspaper Scanteia said.

. . Oddities . .

BOSTON, April 25 (AP).—When a man comes out of a barber shop still needing a shave—well, cops get suspicious.

So, after several such unshaven men walked out of a Scollay Square shop yesterday, the police moved in and arrested 17 "customers" and seized a quantity of betting slips.

KIRKLAND LAKE, Ont., April 25 (CP).—The forgery was bad enough but what really rankled Neil O'Connor the wrong way was that the forger spelled his name wrong.

O'Connor lamented this fact yesterday when James G. Cones pleaded guilty in court to defrauding a local bank by passing a forged cheque for $50 and also to forging O'Connor's name.

MALDEN, Mass., April 25 (AP).—Miss Patricia Raymond of Malden, England, has appealed to Mayor John D. McCarthy for a bathing suit "in case we get some warm weather in England this Summer."

The chief executive said the letter he received apparently was prompted by the fact that this city—named after the English community—supplied uniforms for the soccer team of that town.

McCarthy said he had written to get her size because "the ladies tell me it is very important to know the size."

"SAFE SAND CASTLES"

LONDON, April 25 (Reuters).—Sterilized sand castles are not the latest achievement of hygiene. A London borough announced today that its open air swimming pool would be equipped with a "kiddies' corner" which will have a "sterilized sand pit designed to make playing sand castles a safe game."

CLIMATE OF VENUS

The planet Venus, which like Mars is thought to be capable of supporting life, probably has a warm, moist climate, according to scientists.

Three Parties Must Apply Says Pearson

Labor Minister G. S. Pearson yesterday reiterated his earlier statement that he would not intervene in the strike at Yarrows shipyard here unless requested to do so by all three parties involved in the dispute.

A Canadian Press dispatch from Vancouver Thursday night quoted W. O. White, president of the Boilermakers' Union, Local No. 1 (C.C.L.), as saying that representatives of the striking C.C.L. union and of Yarrows Ltd. had agreed to meet jointly with the Labor Department yesterday, and had invited officials of the Shipyard Workers' Federal Union, Local 238 (A.F.L.) to join the delegation.

Mr. Pearson said yesterday efforts had been made some time ago to get him to interfere, and added:

"Should the three parties concerned feel that the department can be of assistance, I would be prepared to intervene, but not otherwise.

"I have not had a request from all three parties."

VANCOUVER, April 25 (CP).—Pen Baskin, United Steelworkers of America (C.I.O.) representative said here today that his union will follow action of Vancouver Labor Council (C.C.L.) in putting Yarrows Ltd., now in the midst of a labor dispute, on the "hot" list.

"We are not attempting to adjudicate the matter in question," he said, "but we do think the Department of Labor should in the interests of all concerned, conciliate the dispute.

"We are going to recommend to our council that until the thing is settled, Yarrows will be hot so far as we are concerned."

Aid to Patients Being Arranged

Patients at the New Veterans' Hospital on Richmond Road were assured of much attention when representatives of many organizations met last night at the City Hall to co-ordinate efforts in helping the patients.

Dr. Charles Watson, superintendent of the hospital, told of the many tasks to be done. Entertainment, hospitality, supplying of flowers and many other jobs were listed by Dr. Watson. He stressed the need for a co-ordinating council.

A committee will be formed from several prominent organizations in the city. First meeting of the group will be held May 1.

No Easy Task for M.P. To Do Any Legislating

OTTAWA, April 25 (CP).—The Little Man around this centre of Government is the member of Parliament.

Unquestionably, around Athabaska or Yankee Harbor, the private member—that is the M.P. who doesn't sit in the Cabinet—is a Big Man. Up here, he's just one of 246 cogs in the legislative machine.

Probably, he came to Ottawa starry-eyed with a flock of new ideas for the improvement of his constituency and the country in general. But he soon found that the private member doesn't do much legislating.

When he talks—if he is "in order" and can catch the Speaker's eye against the competition—his words go down on the official record, into some of the newspapers and then, for the most part, into thin air. When he introduces legislation, it languishes, usually dies.

The graveyard of these aspirations and causes that died a-borning is to be seen daily in seven pages of the "routine proceedings and orders of the day" of the House of Commons. There are listed resolutions brought in by private members. They now number 51 and most of them have as much chance of passage as their sponsors have of flying to the moon.

So far, in almost two months of sessions, just one has sneaked through the legislative mill. And that was by an Opposition member. By some magic of his own, John R. MacNicol, Progressive Conservative member for Toronto Davenport, wangled through a bill for a national wild life week, though it got somewhat chewed up in the process.

Last year, one private measure got through the Commons—the "Canada Day" Bill. It was mauled by the Senate, came back to the Commons for final approval and eventually died a lingering death.

This year, there are plenty of ambitious projects on hand. Here are some of them, picked out at random from the legislative boneyard:

One members wants to include in King George's title the designation, "King of Canada."

John Diefenbaker (P.C., Lake Centre) wants to have a bill of rights introduced (but the Government is expected to take the wind out of his sails by bringing in a Magna Charta of its own.)

Another wants bridges over the St. Lawrence, nationalization of mines, shorter speeches in the House, wharves for Cape Breton fishermen, loud-speakers for the Commons, more fur farms, a hospital ship for Eskimos, outlawing of the Labor-Progressive Party.

The smart sponsors catch the ear of a Cabinet member and bring their pet projects into the light of day anonymously via Government channels.

They remain unsung, but their works go marching on. The others just remain unsung.

It's Here!
The Greatest Suds Discovery in 2000 Years!
Procter & Gamble's dreft brings you FASTER, BRIGHTER, SAFER CLEANING even in the hardest water!

Lingerie
STAYS BRIGHTER! FRESHER! NO SOAP-FADING!
It's the greatest suds discovery in 2000 years! You'll agree when you see the way Dreft keeps your lovely lingerie color-bright and fresh far longer than ever before! There's no soap *film* to give that faded look. Dreft's rich suds keep your pretty colored slips, blouses, "undies" fresher than any soap could ever do.

New Woolens
WASH SOFTER AND FLUFFIER THAN WITH ANY SOAP!
It's True! When washed in Dreft suds your precious new woolens are a joy to look at—a delight to *feel!* There's no soapy deposit to coarsen woolens and dim their colors.
Baby Things, Too! Your lovely new sweaters, blankets and baby things wash softer and fluffier than with any soap—even expensive soap flakes!

Dishes Shine Even Without Wiping!
It's a Fact! No soap in the world performs the wonders Dreft performs in your dishpan. It makes dishes positively shine—even without wiping or polishing.
Cuts Grease! Dreft's amazing suds rinse clean and clear—leave no greasy streaks or cloudiness the way all soaps do.
Kind to Hands! Even glasses sparkle and gleam—towel or no towel. Remember, too—Dreft is kind to hands.

dreft GIVES 5 TIMES MORE SUDS THAN ANY SOAP IN HARDEST WATER!
1. No Soap-Fading! Now you can wash stockings, lingerie, woolens—knowing that with Dreft there's no cloudy film to give that faded look.
2. Dishes Shine—Even Without Wiping! With Dreft's amazing suds there's no soapy deposit to need wiping or polishing. Dishes and glasses fairly sparkle. And Dreft is kind to hands.
3. Instant Suds—More Suds! In water hot or cold—soft or hard—Dreft suds billow up instantly. And Dreft suds last so long!
4. Clear, Clean-Rinsing Suds! Yes, the first suds in history to leave no streaks on dishes—no dulling film on silks, nylons, woolens.

Stockings
WEAR LONGER! LOOK LOVELIER THAN EVER BEFORE!
You'll Be Delighted at Dreft's gentleness to stockings. Dreft suds leave no soapy film to heavy-up hose and cloud their beauty. What's more—colors stay fresh far longer than with any soap.
Longer Wear! See how nightly Dreft-washing prolongs stocking life—gives noticeably longer wear! Use Dreft and *keep* stockings fresh and sheer-looking as new!

Marry After 60 Years' Courtship

BALTIMORE, April 25 (AP).—Miss Frances Lurman, known as one of Baltimore's "ten loveliest ladies" and Dorsey Williams, retired master of hounds of the famed Patapsco Hunt, were married in her hospital room, after a courtship of 60 years.

Miss Lurman sat in a wheelchair for the nuptials. She has been in hospital since January.

The bride was one of those chosen when a wealthy citizen left funds for a Johns Hopkins University mural to depict "the ten loveliest women in Baltimore."

The socially-prominent couple smilingly shrugged off inquiries about their long courtship.

Their ages? "About 78."

Island Arts and Crafts Society met recently at Mount Tolmie when some excellent work was done of the surrounding district. On Monday members will meet at "Pentrelew," 1201 Fort Street, by kind invitation of Miss J. Crease.

Engagements

The engagement is announced of Doris June Manning, daughter of Mrs. W. H. Knapp, and the late E. C. Manning, to Edward Samuel Barton, son of Mrs. H. B. Barton, and the late H. B. Barton. The wedding will take place at Ryerson United Church, Vancouver, on Thursday evening, May 15, at 8 o'clock.

Announcements to appear under this heading will be accepted at The Colonist Advertising Department. Minimum charge $1.50 for 10 lines and 15c for each additional line

V.O.N. Holding Annual Meeting In Ottawa

By KAY REX
Canadian Press Staff Writer

OTTAWA, April 25 (CP).—Complexities of the Canadian nursing picture from the point of view of both the nurse and the patient will be brought into sharp focus here next week when the Victorian Order of Nurses convenes its annual meeting.

More than 200 delegates from all parts of Canada began filtering into the capital this week-end for what promises to be one of the largest meetings in the 49-year-old history of the order. Topics include increasing nursing demands on a failing budget, financial problems of the nurses and study of a national educational fund.

Among prominent medical and nursing heads to address the group during the two-day convention is Miss E. M. Crothers, general superintendent of the Queens Institute of District Nursing for London, England.

The reports of conveners and chairmen of the V.O.N. committees will be heard at the preliminary session of the board of governors Tuesday, and will be followed by election of officers and executive council members.

St. Mark's Scene Of Pretty Wedding

St. Mark's Church was prettily decorated with Spring flowers for the wedding last evening of Doris Jean, youngest daughter of Mr. and Mrs. A. Romain, 173 Hampton Road, to William Arthur Fernyhough, third son of Mr. and Mrs. Fernyhough, 422 Boleskine Road.

The bride, lovely in white satin styled with sweetheart neck, lily-point sleeves, full skirt, and appliqued flowers at the shoulders, was given in marriage by her father. Her floor-length veil cascaded from a coronet ornamented with orange blossoms and seed pearls. She wore a strand of pearls and carried a bouquet of pink carnations, blue iris and pastel sweet peas.

Her matron of honor was her eldest sister, Mrs. Lillian Reitan, in a gown fashioned with white nylon bodice and yellow taffeta skirt. The bridesmaids, Miss Faith MacDonald and Miss Frances Fernyhough, sister of the groom, wore pale pink and mauve respectively; all had flower headdresses with veiling to match their frocks and carried harmonizing Colonial bouquets.

The bridegroom had his brother, Mr. Richard Fernyhough, as his best man, and the ushers were another brother, Mr. Fred Fernyhough, and Mr. Roy Baker. The reception was held in the church hall where Mrs. Romain and Mrs. Fernyhough welcomed the guests with the bridal couple. The three-tiered cake centring the lace-covered table was lighted by pink tapers. Mr. W. Oosterink gave the toast.

For a honeymoon on the Mainland, the bride chose a blue floral print with matching flower hat and accessories, brown topcoat and corsage bouquet of pink roses.

Mr. and Mrs. Fernyhough will reside in Victoria.

Plan Flower Show At Cadboro Bay

The second annual Flower Show of St. George's Church, Cadboro Bay, will be held in the hall on Wednesday, commencing at 2 p.m.

The guild is grateful to Dr. H. T. Gussow, eminent botanist, who will judge the exhibits, and to Mr. Brock Whitney for his donation of a siver cup for presentation to the winner of the greatest aggregate points.

Mr. S. Arrowsmith will again this year send in a tulip exhibit, which will be auctioned later in the afternoon. The proceeds of the auction will be in aid of the Church Guild Fund.

Tea will be served during the afternoon, and added attractions will be a plant stall and decorated tables.

Bride Radiant In White Satin

St. John's Church was the scene of a pretty wedding last evening, when Rev. George Biddle solemnized the marriage of Kathleen Agnes, only daughter of Mr. and Mrs. Thomas Burns, 413 Niagara Street, to Alexander Bone, youngest son of Mr. and Mrs. George Bone, 2540 Roseberry Avenue. The auburn-haired bride, given away by her father, was radiant in white satin fashioned with net yoke, lily point sleeves, and flounce of lace showing beneath the scalloped hemline. Her veil of illusion net was arranged beneath a tiara-style net headdress. Her only ornament was a diamond pendant, and to complete her ensemble the bride carried a shower bouquet of gardenias, red roses and lilies of the valley.

In striped taffeta frocks with off-the-holders necklines, there were three attendants: Mrs. J. Greene, as matron of honor, wore cyclamen-pink and white, Miss Myrtle Tupman and Miss Helen Ferguson wore green and white. All wore Dolly Varden hats to match their gowns, with long white nylon gloves and carried loose Colonial bouquets to tone.

The best man was Petty Officer C. J. Henry, R.C.N., and the ushers were: Mr. T. Kershaw and Mr. J. Thompson.

The reception was held in the lower lounge of the Empress Hotel, where Mrs. Burns and Mrs. Bone received with the young couple. The health of the bride was proposed by Mr. C. Henderson.

For a honeymoon trip by motor to California, the bride traveled in a pale gold gabardine suit with three-quarter length coat, hat en suite, trimmed in green and gold, dark green lizard accessories, and a green orchid corsage.

Mr. and Bone will make their home in Victoria.

MAKE PRESENTATIONS

The Ladies of the Women's Union of the First Baptist Church held a surprise party on Wednesday afternoon in honor of Mrs. W. Holm, who with her husband, Mr. Holm, is making a trip to Europe shortly. Following tea a leather writing case and a Parker pen and pencil set were presented to Mrs. Holm. Miss Elsie Holm was presented with a hostess glass plate from the assembled guests prior to her marriage which will take place in May. Mrs. H. Jackman sang several solos during the afternoon.

Students Receive Certificates at Musical Recital

A capacity audience attended the annual recital presented by piano and vocal pupils of Catherine Craig Dash, L.R.S.M., held recently at the Truth Centre.

The excellent program consisted of solos, duets, trios and monologues. Mr. Percy Willis was chairman and also presented certificates of the Royal Schools of Music to the following: Billy Anderton, George Beecroft, Vivian Lee, Dorothy Green, Fred Urton, Margar Grieve, Donald Glass, Edna Le Marquand, Doris Glass, Shirley Harknett, Myrna Jean MacLean. Glen Stewart received a certificate of the Toronto Conservatory of Music.

Prizes for highest marks in examinations were given by Mrs. Dash to Billy Anderson, Vivian Lee, Dorothy Green and Edna Le Marquand. Winner in the "Gold Star Contest" was Donnagail Middleton.

Others taking part were Frankie William, Walter Creed, Sally Williams, Keith Williams, Marian Blakeney, Jimmy Grieve, Lorna Eden, Garry Butler, Gary Vaughan, Joyce Gallop, Ian Miller, Jean Wills, Kierrie Lalonde, Eva Jane Coffey, Elaine Empey, Jackie Ormond, Dorothy Pedneault, Norah Murray, Pat Wansborough, Jack Dixon, Betty Giles, Joan Webb, Mona McLean, Katharine Riddle, Gail Dresser, Carole Gardler and Joan Edwards.

Proceeds from the collection amounting to $35 will be donated to the Protestant Orphange.

Sale Proceeds $300

Proceeds of the rummage sale held recently by the Nursery School Association totaled over $300 it was reported at the meeting held Monday at 2164 Oak Bay Avenue. Mrs. A. S. Tisdall and Mrs. J. Dangerfield were conveners of the sale, proceeds of which were in aid of the nursary fund to assist students going to Toronto to train as nursery school teachers. Miss V. Ashdown reported on the splendid support obtained for the petition to be sent to the Board of Governors of the University of British Columbia.

ST. GEORGE'S DINNER

Victoria Lodge No. 83 and Princess Patricia No. 238, Daughters of St. George, held a banquet at Terry's dining-room on April 23, in honor of their patron saint. Mrs. C. Fairservice, president of Victoria Lodge No. 83, welcomed the guests and gave a talk on the history of St. George.

Mrs. J. Tyler, president of Princess Patricia Lodge, gave an interesting address on the origin of the Daughters' of St. George.

The committee in charge of the affair were: Mrs. A. Harris, Mrs. R. Williams, Mrs. E. Duncan, Mrs. E. Burke and Mrs. Richardson. Following the dinner card games were played.

RUMMAGE SALE

A rummage sale will be held on May 3 at 1603 Government Street, next door to the York Theatre, at 9 a.m., sponsored by the St. John Ambulance Brigade. A splendid collection of good-class clothing will be available.

Three Plays Are Chosen For Honor Performance

Plays presented by Oaklands School, Mount View and Victoria High Schools have been selected as the three to be presented tonight in the honor performance in Victoria High School which will conclude the Seventh Greater Victoria Drama Festival.

This announcement was made last night at the conclusion of the final performances, held at Oak Bay High School.

The three plays selected are: "Nobody Home" by Noel Walters, presented by Oaklands School, directed by Miss M. P. Kinnaird; "X Equals O: A Night of the Trojan War" by John Drinkwater, presented by Mount View High School, directed by Dr. J. M. Thomas; and "Elizabeth Refuses," adapted by Margaret Macnamara from Jane Austen's "Pride and Prejudice," directed by Miss K. B. Youdall, with a cast from Oak Bay High School.

Roth Gordon, Vancouver, festival adjudicator, said in summing up the week's performances, that one great need was for a director's conference, to discuss play selection, as in some cases he felt good dramatic material had not been shown to the greatest advantage owing to the plays chosen.

Three plays were presented at Oaklands School yesterday afternoon: "Nobody Home," presented by Oaklands School; "At the Stroke of Twelve" by Aaron E. Bishop, presented by Mount Newton High School, directed by Mr. Bernard Webber, and "Sunday Costs Five Pesos" by Josephina Niggli, directed by Miss K. M. Baker with a cast from North Saanich High School. All three plays were, in the opinion of the adjudicator, good, wholesome material on which young people could cut their dramatic teeth. The first one particularly gave excellent opportunity for group work, variation in pace and timing.

"The Name Is Johnston" by Jessie M. Bowler, was the opening play of the evening performance. It was presented by a group from Qualicum Beach Boys' School, directed by Rev. W. Buckingham, with Mrs. Buckingham as stage manager. Mr. Gordon said he would like to see this cast under the same direction but in a better written and different type of play. One of the most successful plays for an all-boy cast had been written by a group of young people who put in the things they themselves wanted to see in a play. It was not only good fun, but good drama, he said.

Replacing the Strathcona Lodge entry "Quality Street," which was withdrawn owing to the fact that Barrie's plays must be presented in their entirety, was "The Duchess Says Her Prayers," directed by Miss Margot Gordon, with a cast from the St. Barnabas Players. This was not adjudicated but was undoubtedly one of the most enjoyable plays of the week.

Also non-competitive was "The Ghost Train," Act I, by Arnold Ridley, with a cast from the John Oliver High School, Vancouver, which was excellent. The cast included John Sterland, as "Teddie Deekin," and Shelah Martin as "Miss Bourne." This was well directed by R. C. Harris and J. Sparks.

Miss Isla Tuck, of the Greater Victoria School Board, opened the per- introduced by Rev. W. Buckingham, of Qualicum Beach Boys' School. Mr. D. H. Hartness, principal of Oak Bay High School, paid warm tribute to the late Dr. Willis, whose sudden passing came as a shock to the entire province. During intermissions, the Oak Bay High School Girls' Choir sang, and instrumental and vocal solos were given by Jean Dobbie, Joan Milloy and Vivian Trimble.

City Man's Emergency Rocket To Be Demonstrated Thursday

An emergency rocket, designed to aid lost or injured hunters and others in remote areas, has been devised by a Victoria man, Gordon Sword, 3013 Richmond Avenue.

Already his invention has received considerable attention by forestry officials, game associations, and other interested organizations.

An official demonstration will be held "somewhere on the lower end of Vancouver Island" next Thursday night.

Exact time and location of the test is being withheld for a definite reason. Aircraft will circle about the lower end of the Island, and it will be a true test to determine whether the rocket will serve the purpose for which it is intended.

MANY TO ATTEND DEMONSTRATION

To be present at the demonstration will be officials of Western Air Command: Commissioner T. W. S. Parsons and other British Columbia Police personnel; Jack Taylor, representing the Victoria Flying Club; C. D. Orchard, deputy minister of forests, for the Provincial Government; Inspector C. Clark, British Columbia Police, Vancouver; Harry Woolston, president of the Saanich Anglers' Association; E. McConnan, representing the Victoria Fish and Game Association; Frank Butler and J. G. Cunningham, of the Game Commission, Vancouver.

Yesterday it was announced the R.C.A.F. will make an official report public after officers of the service have witnessed the rocket demonstration.

Whether or not the rocket will be adopted on a national scale as an S.O.S. signal device for outdoor men will depend on the outcome, and decisions made at this test.

Mr. Sword, an experienced outdoors man, and a participant in many searches on the Island for lost persons, briefly describes his rocket arrangement as follows:

"Waterproof case, six inches long. Discharges three red balls to a height of 200 feet, balls firing at five-second intervals. One hundred per cent efficiency guaranteed for three years. The rocket is ignited by simple means, enabling the matches—similar to smoke canister of army use. The cap is removed by tearing off waterproof tape. The rocket produces no fire hazard, and complete weight of the unit is equivalent to that of three 12-guage shotgun shells."

HOLY DAY FISH

The halibut, or holibut, was so called because it was commonly eaten on holy days.

Funeral Monday For Mrs. Sanford

Funeral service for Mrs. Adelaide Bell "Monti" Sanford, 1667 Yale Street, who died suddenly Thursday at her home, will be held at St. Mary's Church, Oak Bay, at 11 a.m. Monday.

Mrs. Sanford has been described by friends as one of the most willing workers of St. Mary's Church and was well known on the Coast for her outstanding contributions to church groups.

Mrs. Sanford convened for the Columbia Coast Mission Group of St. Mary's Senior W.A., and was recording secretary of the senior women's auxiliary. Prior to coming to Victoria, Mrs. Sanford was actively engaged in church work at Duncan and New Westminster. She was vitally interested in children's societies.

She is survived by her husband, Ernest Gerald Sanford, former manager of the Canadian Bank of Commerce here.

"SERVICES THAT TELL FOR ETERNITY"

IN YOUR TIME OF NEED . . .

The true ideal of service is never measured in terms of price at Thomson Funeral Home for we believe that a beautiful and complete funeral should be within the means of any bereaved family. Our "one cost plan" allows you to name the price you wish to pay—be it little or great, you will receive a complete service of memorable beauty.

Whether you pay less than One Hundred Dollars or more, the service is always commensurate with the best.

Little Stories for Bedtime

By THORNTON W. BURGESS

BUSTER BEAR IS STARTLED

Straight toward the little pile of leaves in the Green Forest under which Danny Meadow Mouse was hiding walked Buster Bear. His little eyes, for his eyes are little compared with his great size, were fixed on that little pile of leaves. Danny was certain that they were fixed right on his own small grey person. Why else should Buster look straight at him and walk straight toward him?

As a matter of fact, Buster didn't see him at all. Of course not. Danny was hidden under those leaves. Buster couldn't have seen him had he known Danny was there and tried to see him. And he didn't know he was there. A fat Meadow Mouse was the last person in the world Buster Bear expected to find over in that part of the Green Forest. His thoughts were not on Meadow Mice or any other Mice for that matter. They were wholly on beechnuts. He is very fond of beechnuts is Buster Bear, and it was to look for beechnuts that he had come to that particular part of the Green Forest that particular night. You see it was the part of the Green Forest where the beech trees grow.

So Buster Bear wasn't thinking of anything but beechnuts as he walked toward that little pile of leaves and Danny Meadow Mouse. He was making a noise deep down in his throat. Danny thought he was growling and the sound would have frightened him still more only he was already as frightened as it was possible to be. Buster wasn't growling. He was talking to himself.

"There is a little pile of leaves I haven't raked over yet," he was saying. "There ought to be some nice sweet nuts in among those

With a faint little squeak of fright he scurried out from under Those leaves

leaves. Can't think of anything better than nice sweet nuts. Wish they were bigger. I certainly do wish they were bigger. It takes a lot of work to find enough to fill the stomach of such a big fellow as I am. It would be a lot easier if it were not for these pesky leaves. Wish they grew the way berries grow. It would be a lot easier to get enough if they did. Now we'll see how many I'll find under these leaves."

By this time he was near enough to reach out a great paw with its dreadful claws. Danny saw that great paw starting toward him. With a faint little squeak of fright he scurried out from under those leaves, and because he was headed towards Buster Bear and was too frightened to know where he was going he ran straight at Buster. It was all so sudden and unexpected that for an instant it startled Buster.

How It Started

By JEAN NEWTON

THE PEDDLER—
He Does Not Pedal

A reader asks if the peddler is so named from the same root as pedal, "—which means foot, then why is it not spelled that way?

The answer is that the peddler was with us before the bicycle pedal, for which he is not named, nor is the word connected with the fact that he pursues his trade on foot. The fact is that the peddler takes his name from the basket in which, in olden times, he carried his goods.

There is an old English word for basket—ped—which gave to the hawker his Old English name "pedlere," which became our peddler.

For the pedal of the the bicycle or the piano, we return to the realm of routine etymology. This word we have from the Latin pedalis, which goes back to pedis, a foot.

The same root give us pedestrian, for one who goes on foot, and, figuratively, for an action which is slow. Also, there is "The maestro on the podium," as they say on the radio; literally podium means "a little foot," but in architecture a foundation structure which gives us the word for platform. Pedestal, too, goes back to the root (pedis), meaning "foot"—a base or support to stand something on. All offspring of the parent who did not father the peddler.

Patterson Starry As A's Win Again

Outfielder on Hitting Rampage as Salem Loses, 11-10—Two Games Scheduled Today

HOW THEY STAND	W.	L.	Pct.
Spokane	8	2	.714
Victoria	6	3	.667
Bremerton	5	3	.625
Tacoma	4	3	.571
Vancouver	5	4	.556
Salem	4	5	.444
Yakima	2	6	.333
Wenatchee	1	7	.125

Victoria Athletics stumbled into second place in the W.I.L. standings last night when they scored an 11-10 win over the luckless Salem Senators after almost three hours of baseball. It was their second one-run decision over the Oregonians in as many nights.

Only the sturdy rapping of the Victoria batting array, led last night by Pat Patterson and Jack Harshman, made up for the defensive lapses by the club which more than made things tough for 18-year-old Dick Mitchell, making his first start of the season.

The flying Patterson had a big night as he crashed out two triples and a pair of doubles in five trips to the plate, and drove in four runs. Harshman hit an inside-the-park home run and a double and drove three teammates over.

For the second night, late Salem rallies almost won the game, and it took a two-run seventh inning to cinch the vedict for the Athletics after they opened up a good lead in the early innings.

It was a tough start for Mitchell, who hurled a fair brand of baseball. Errors kept him in continual trouble and the first six runs charged against him were all unearned. The Senators finally began to reach him for telling blows and he was lifted in the seventh for Joe Blankenship. The latter gave up two runs in the eighth but came through to protect the lead and started the seventh-inning rally for Victoria with a single.

Athletics jumped on Sinovic for seven runs in the first three innings but a series of errors gave the visitors five runs. Paul Soderburg took over for the visitors after Sinovic was lifted for a pinch-hitter in the fourth and gave up another pair of runs to give the A's a 9-5 lead.

Mitchell escaped trouble in the fourth and fifth but a run in the sixth was followed by three solid hits in the seventh, and Blankenship was sent in. He retired the side with only two runs scoring, leaving the score at 9-8.

He then singled sharply with one out in the Victoria seventh, to start what proved to be the winning rally. Harshman and Patterson followed with well-tagged doubles for the tallies.

A base on balls, a double and a single again brought the losers within one run in the eighth, but Blankenship retired the side in order in the ninth, as over 1,200 happy but shaky fans went home to bed late.

The Athletics wind up their first home stay today with two games, starting at 2:30 and 8 p.m. Max Hittle, who just arrived from California, and Bill Woop, are scheduled to start. With Ken Wyatt and Carl Gunnarson, two of the leading southpaws in the W.I.L. last season, likely choices for the Senators, a pair of pitching battles could be in store for fans after a week of hard-hitting baseball.

DIAMOND DUST

Patterson received a reward for his hitting last night when his double in the seventh hit the Hudson's Bay sign above the scoreboard, to win the $50 prize offered . . . **Sol Israel**, speedy little outfielder who has found it hard to collect his base knocks, has been sent to Quincy in the Three-I League. He is the second player to leave the A's, following Southpaw **Al Risso**, released . . . Right-fielder **Gregory** lost two fly balls in the lights, both of which went for hits and figured in the Victoria scoring . . . Youthful baseball fans are often proving a nuisance by refusing to stay in their seats. A bleacher section roped off for the youngsters, to keep them in their seats, would help . . . One of the amazing things about most baseball fans is the way they scramble for baseballs hit into the stands, which can be of little use to most of them. Any announcement asking that they be returned when the ball supply is short is usually the cue for a series of boos, and those who return them are only "suckers" . . . Manager Ted Norbert is far from giving up on Bill Prior, and the Victoria right-hander will get many more chances. Control trouble stopped him Wednesday, although he had plenty on the ball.

McCarthy Names All-Time Yankees

BUFFALO, April 25 (AP).—Joe McCarthy took time out from his farming today to pick his own "All-New York Yankee" baseball team.

The former Yankee manager's selections did not include Babe Ruth, a member of McCarthy's teams for only the four years in which he played his last games.

In selecting the best of the Yankee players who brought him seven world series titles and eight American League pennants in his 13 years as manager before retiring last year, McCarthy said:

"I could consider only the men that played for me, not men who rose to fame with New York before I took over as manager."

He said that accounted for the omission of Ruth, adding that the mythical team represented only the Yankees he developed or who had their greatest seasons "under my direction."

Here's the team (not necessarily in batting order), along with cumulative batting averages:

Joe DiMaggio, c.f., .339; Red Rolfe, 3b., .305; Joe Gordon, 2b., .278; Frank Crosetti, ss., .245; Lou Gehrig, 1b., .340; Bill Dickey, c., .314; Charley Keller, lf., .301; George Selkirk, rf., .303; Red Ruffing, Lefty Gomez, Spud Chandler, pitchers.

Caps Continue Streak; Kittle Hurls 4-Hitter

VANCOUVER, April 25 (CP). — Manager Bill Brenner tonight walloped a ninth-inning homer to give Vancouver Capilanos a 6-5 win over Yakima Stars and their fifth consecutive Western International Baseball League victory.

Pinch-hitting for Hurler Jack Meister, after Yakima had tied up the ball game in the first half of the ninth at 5-5 on a one-run homer by Art Lilly, Manager Brenner showed his mates how it should be done by knocking a pitch over the left-field fence to win the hard-fought tilt.

BREMERTON, April 25 (AP).—With Hub Kittle giving up only four hits and striking out ten, Bremerton coasted to a 4 to 0 baseball victory over Wenatchee tonight in the opening game of their Western International League series.

Bremerton scored first in the second innings on a walk, a single by Al Ronning and an infield out. In the fourth, Ronning scored the second run on a fly-out after singling. The final two runs came in the seventh on Bill Reese's single after Hooks Devaurs and Eddie Murphy had singled ahead of him.

Six Leafs Sign New Contracts

TORONTO, April 25 (CP). — Six players of the Stanley Cup-winning Toronto Maple Leafs signed contracts for next season today, just five days after their final victory over Montreal Canadiens.

Manager Conn Smythe and Coach Happy Day spent the afternoon with the players and announced contracts had been signed by Bill Ezinicki, Harry Watson, Gus Bodnar, Garth Boesch, Vic Lynn and Joe Klukay. "That's all we have a chance to see today," said Smythe.

The signing of Watson spiked reports from Montreal that he would be offered for sale by the Leafs. The big left-winger was traded to Leafs by Detroit for Billy Taylor.

Smythe said incidentally: "I'm not getting rid of anybody until I am offered someone equally as good or better."

Cup Soccer Tilt On Bill Today

An Anderson Cup match features today's soccer with Victoria United playing Nanaimo in the second game of the best-of-three series at Macdonald Park at 2:30 p.m.

Although Nanaimo took the first game at Nanaimo by the narrow margin of 4-3, the local team is expected to pull through with a victory. Both teams will field strong squads for the tilt and a keen battle is expected.

What a Windup!

A spectacular woman bowler, Catherine Fellmeth, of Chicago, demonstrates her arm motion as she throws a speedball hook on the Windy City slides. Mrs. Fellmeth averaged 204 in winning the city title.

Canadiens Defeat N.H.L. All-Stars

CALGARY, April 25 (CP).—Montreal Canadiens and National League all-stars dished up an entertaining brand of hockey here last night with the Canucks putting over a smart 8-3 victory.

Close to 4,000 fans watched the thrilling exhibition and although it lacked the robust checking and strenuous play seen locally, the fans came away well pleased with what they saw.

Maurice Richard demonstrated his ability on more than one occasion and his two goals were masterpieces. Kenny Reardon particularly caught the eye with his peculiar style of skating and his regular rink-length dashes that always ended in pay-off territory.

Bill Durnan proved a tower of strength in the nets for Canadiens as time and again he stopped incoming forwards when it appeared they had sure goals. At the other end of the rink, Broda played well, but had little defensive strength in front of him.

Set Mills Fight

LONDON, April 25 (AP).—Freddie Mills, British cruiserweight (light-heavy) champion, will fight Lloyd Marshall, American negro from Cleveland, in an open-air bout in London during the Derby week, Promoter Jack Solomons announced today. The Derby is scheduled for Epsom Downs, June 7.

Central High Wins School Softball

Central Junior High School softballers took the measure of Mount Douglas High juniors, 14-1, in the first of a scheduled series of knock-out games for the Greater Victoria Inter-High School championship. Tommy Der turned in a neat performance on the mound for the winners.

Parksville Hears Poultry Experts

PARKSVILLE, April 25.—Parksville and district poultrymen were addressed Thursday afternoon at Crayharven Inn by Chief Egg Inspector Wilson, Poultry Inspector D. H. Pope and Prof. J. Biely, University of British Columbia expert on poultry diseases. A. E. East presided. The meeting was sponsored by Vancouver Island Co-operative Association.

NEW YORK, April 25 (AP).—Coach Charley Dressen of New York Yankees, who has been participating daily in pre-game practice despite a 30-day suspension, has been ordered not to appear on the field in uniform by Commissioner A. B. Chandler.

Philadelphia A's Rally To Defeat Red Sox 11-7

(By the Canadian Press Staff Writer)

The lowly Philadelphia Athletics forgot their status as American League doormats long enough yesterday to stage a five-inning rally in the ninth that gave them an 11-7 victory over the champion Boston Red Sox.

Spotting the champs five runs in the third, largely on the strength of Rudy York's three-run homer, the "A's" pecked away at three Boston hurlers to reduce the margin to a single run before erratic fielding and Hank Bajeski's two-run double gave them the ball game.

St. Louis Browns and Detroit Tigers swapped eighth-inning rallies with the Bengals coming out on top 6-5, largely on the strength of nine passes from generous Brownie hurlers. Jerry Witte's three-run homer kept the losers in the game.

Chicago White Sox scored a run in each of the first three innings to give Rookie Bob Gillespie his first win of the season as he beat Cleveland Indians, 3-2. All National League games were postponed.

Mastro Leads A's at Plate

Burly Vic Mastro, promising Victoria catcher, is leading the Athletics at the plate with a lofty average of .433 after eight games, unofficial averages disclosed last night.

In 30 trips, Mastro has lined out 13 hits, including six doubles and a triple, and has batted in 10 runs. He is followed among the regular players by John Hooper and Mike Hafenecker, at .368 and .360, respectively.

Righthander Jim Gibson is the nominal leader with four hits, three of them doubles, in six trips, good for a .667 mark.

Unofficial averages for the club, up to and including Thursday night's game, follow:

	AB.	R.	H.	RBI.	Pct.
Gibson	6	2	4	2	.667
Mastro	30	4	13	10	.433

Windsor Deadlocks Basketball Series

Assumption College in Startling Form Reversal To Take Second Game Against Meralomas, 51-47

VANCOUVER, April 25 (CP).—Showing an amazing reversal of form, Windsor Assumption College tonight defeated Vancouver Meralomas 51-47 to even the best of five series for the Canadian Basketball Championship at one game apiece.

Paced by big Bill Coulthard, who had 16 points, Assumption was in the driver's seat for all but a few minutes of the second quarter, when Vancouver edged ahead 16-12. A fast comeback put the Collegians in a lead they never relinquished.

Freddy Thomas, high scoring forward, and Ado Rorai were runners-up with an even dozen apiece for Assumption.

Ole Bakken was high man for the Meralomas for the second straight night as he put 21 points through the hoop, three less than in the opening game. Ron Weber was next on the list with eight.

Switching to a zone defence—a style practically forgotten on the West Coast—for the second game was a master stroke on the part of Windsor Coach Red Nantais. The work of Thomas on the backboards was another major factor in the Assumption victory.

A tight first quarter ended 12-12, but Windsor took the play in the second session to build up a six-point, 32-26, margin at the half. Windsor outscored Meralomas 9-7 in the third quarter, fell behind 14-10 in the final session, but managed to sustain the drive of the Vancouverites in the closing minutes.

The game tonight was much tougher than Wednesday's, although each team had three less fouls called on them. Both teams played it hard all the way and there were more fouls called for hard bodily contact.

Both fans and players voiced displeasure with the game handling. Coach Nantais became particularly vociferous at one spot over the way George Sidorne and Wink Willox were calling the play.

Despite that, Ebbie Bowering, vice-president of the C.A.B.A., said Siborne would be paired with Len Leach to handle tomorrow's game.

Windsor—O'Hara 7, Lally 4, Rorai 12, Coulthard 16, Thomas 12, Campbell, Horsky, Kehlman. Total 51.

Vancouver—Weber 8, Robertson 7, Bakken 21, Pomfret 3, Burtwell 6, Bardsley 1, Henderson 1, Wrinne 0. Total 47.

Oak Bay High Nine In 10-3 Victory

Oak Bay High School nine packed too much power for an outclassed Esquimalt High School nine to smash out a 10-3 victory in an Inter-High School Baseball League fixture at Macdonald Park last night.

Winners scored in every inning but the first and held Esquimalt scoreless for the first four frames. In the second inning Jim Mill and Dave Whittingham crossed the plate with Oak Bay tallies, to be followed in the third stanza by Bob Sherratt. Ken McKay and Bruce Auchinvole scored in the fourth with Whittingham adding another run in the fifth.

Esquimalt staged a two-run uprising in their half of the fifth inning to push across Douglas ahead of Jim Wright who poled a long homer to deep centre. Oak Bay's chucker, Ken Higgs, tallied his side's first run of the sixth inning with Mill and Whittingham completing the scoring. Owen Burton contributed the last Esquimalt marker in the final inning.

Score by innings:		R.	H.	E.
Oak Bay	022 213—	10	6	0
Esquimalt	000 021—	3	2	6

Batteries — Higgs and Sherratt; Fleming, Gouge and McConnechy.

Thursday night Mount View High downed Mount Douglas, 6-1, in the league opener.

Baseball Suspect In Police Case

A smashing hit went over the fence at Royal Athletic Park last night.

So smashing was it in fact that city police were notified at 8:20 p.m. of its disastrous consequences.

Reporting to 1040 Caledonia Avenue they found a baseball inside the home of Mrs. C. M. Long. One window was missing.

LACROSSE PRACTICE

Don Huckin's still-sponsorless lacrosse team will hold a workout at Stevenson Park tomorrow at 10:30 a.m. A full turnout is requested.

Y.M.C.A. Swimmers Gain Credit For 12 New Canadian Records

Swimming record receiving the approval of the Canadian Amateur Swimming Association showed no less than 12 new marks credited to Archie McKinnon's Y.M.C.A. swimming team.

Peter Salmon, breast stroke ace, received recognition for two new senior records and four new junior marks to rank as one of the outstanding swimmers in the Dominion. Eric Jubb received recognition for two new records in the junior division. Joan Morgan is credited with a new time in the 200 yards women's back stroke. The other record-breaking times were made by the "Y" 150-yard junior medley relay team, the 160-yard senior free style relay team, and Ina Salmon, who set her mark in the 120-yard medley swim for senior women.

Sid Thomas Memorial Trophy Award Creates Interest as Deadline Nears

Who will receive the Sid Thomas Memorial Trophy as Victoria's outstanding amateur athlete based on ability on the playing field and sportsmanship during the past sports season?

That is the question that is holding considerable interest among sports fans as the contest to pick the winner nears the deadline mark for letters. A good number of athletes have been nominated in the letters from fans and it will be no small problem for the four judges and The Colonist Sports Editor, who form the selection committee, to pick the winner.

The committee will announce their choice when they get together following the May 1 closing date for letters. The handsome trophy, which will be made an annual award in memory of the late Colonist Sports Editor, will then be awarded the winning athlete with appropriate ceremony. The trophy has been on display in the window of Whitney Jewelers, Yates Street. Brock Whitney is the donor.

An ever increasing stack of letters is piling up at The Colonist sports office from fans eliciting their views in varied manner. But it is believed that there are many sports enthusiasts who must be taking a great interest in the selection, but who haven't yet sent in their selections. They are reminded to send their letters in to The Colonist Sports Editor by Thursday, May 1.

The fan writing the best letter in the opinion of the judging committee regardless of its bearing on the award, will be given two box seats to Victoria Athletics home games for the season.

The mailbag last night produced among others, nominations for two well-known athletes, Jimmy Oakman, perennial soccer and cricket star and Red McMillan, all-round athlete.

Others nominated previously were Rookie Wright, Chuck Chapman, Doug Fletcher, Norm Baker, George Joy and Ruth Payne, Freddie Ranson, Peter Salmon, Alan Reside, Bob White, Tommy Restell, Bill O'Connor and Doug Peden.

New York Stocks

NEW YORK, April 25 (AP).—The course was again downward for the majority of stocks in today's market with activity expanding a bit and a number of issues touching lows for 1947.

There was a little buying at the start on the General Motors and Bethlehem wage pacts, but it failed to follow through. Offerings appeared on the idea that, while the pay boosts may preclude strikes, mounting costs would hit earnings, obviate reduced prices and strengthen consumer resistance.

The Associated Press 60-stock composite was off .5 of a point at 61.5, widest dip since last Friday.

Toronto Stocks

TORONTO, April 25 (CP).—Prices eased back on the Toronto Stock Exchange today in spotty trade for both industrials and mining issues. Many stocks were dormant, and several traded lightly, but a handful turned over well with the range wider than usual in the last few days.

Senior golds were mixed with Bralorne and Hollinger down fractions, while Kerr Addison and McIntyre were up fractions, but junior issues posted more than two losses for every gain. Base metals were up for Denison, Falconbridge, Labrador, MacDonald, Osisko, Sherritt and Steep Rock.

Papers were soft for more than a half a dozen losses. Up were Donnacona and St. Lawrence. Utilities about broke even. Other industrials were quiet, and Western oils were slightly off.

Chicago Grain

CHICAGO, April 25 (AP).—Wheat spurted as much as 4 cents at times on the Board of Trade today, but corn again ran into selling pressure and displayed a weak undertone. Oats, lower at the start, advanced later in sympathy with the run-up in wheat.

4 CARD OF THANKS

Mrs. O. B. Diggens and A. B. Rogers wish to thank kind friends for their messages of sympathy and beautiful floral tributes received in their recent bereavement in the loss of a loving mother, Mrs. Elinor Rogers. They especially thank those good friends who visited their mother during her stay in Victoria.

Mrs. Roy E. Murray and Mrs. P. E. Murray wish to thank their many friends, especially the Knights of Pythias, for their kind expressions of sympathy and beautiful floral tributes sent to them during their recent sad bereavement in the loss of a husband and son.

5 IN MEMORIAM

WILLS—In loving memory of Mrs. Sarah Annie Wills, a dear wife and mother, who went home to be Forever with the Lord April 26, 1946.

Peacefully sleeping, resting at last,
The world's weary troubles and trials are past;
In silence she suffered, in patience she bore,
Till God called her Home to suffer no more.
"Blessed is she that believed."

Greatly missed and lovingly remembered by her husband, Frank, and children and grandchildren.

CHEAP LUMBER
Cull lumber at less than price of wood. Pieces can be picked out to repair fences, barns, sidewalks, garden stakes, etc. Chiefly boards and planks. Would make about 1½ cords wood, cut up. Price $5.75 per load. In our opinion, these big loads of fir lumber should not be confused with waste scrap unloaded under the same name by some mills. Immediate delivery.

40A BUILDING MATERIAL

A NEW JAEGER CEMENT MACHINE for rent, with wheelbarrow. Phone E 3209. 165 Crease Avenue

HOME-BUILDERS' BARGAINS
COMMON BOARDS DRESSED ON TWO sides to ¾ inch thick, good widths and fair quality. Very suitable for lining the inside of your house before applying wallboard. This is good buying at today's prices. Per 100 sq. ft., $2.75, per 1,000 sq. ft. $25.

SCREEN DOORS. Full length wire coverage, black wire, sizes in 2.8 x 6/8 and 2.10 x 6.10, each $3.65.
Also better quality screen doors with panel bottom and push bar, all strongly made, will last for several years, each $5.25.

BUILDERS' HARDWARE — Locksets now available with plate & [illegible] no mortising required. Just bore a hole in your door and install hardware — the latest and smartest styles see them today, only $1.75 each. Also other selection in brushed brass and ivory plastic.

MONO DOORS—The modern slab door. Full flush plywood face, no ledges to catch dust, easy to clean, takes either paint or varnish finish.

2.0x6.8	each $5.34
2.4x6.8	each $5.65
2.6x6.8	each $5.90
2.8x6.8	each $6.10
2.6x6.8	each $6.30

Also French doors in either wood bars or attractive leaded light panels, back doors or front doors, all priced to sell.

JOHNS-MANVILLE FLEXBOARD. A real fireproof wallboard, light grey color. Easily cut with any hand saw, quickly applied and can be nailed close to edges for lining furnace rooms, basement rooms, summer cottages, truck bodies, elevator shafts, farm buildings, poultry houses or any place where you require to eliminate fire hazards. 4 ft. by 8 ft. sheets, smooth finish, each $4.80, 4 ft. by 4 ft. sheets, 4-inch squares on face, each $2.72.

GYPTEX TEXTURE PAINT. Apply this texture finish over any wallboard linings and give your room the appearance of textured plaster. Simply mix with water and apply with large brush, no skill or precision required. Five colors and white 10-lb. pkg., $1.00, 25-lb. bag, $2.50.

APARTMENT BARGAIN
BRAND NEW STUCCO—HIGH QUADRA
We believe this investment property to be the finest brand new apartment value offered the Victoria investor in many years. Just look at the construction features—Oil-O-Matic hot-water heating, copper piping throughout, Johns-Manville roof, 2x12 floor joists, 2x8 roof joists and 2x6 studding. A modern plaster job throughout, and fire alarm system. Spacious living-room 21x20, with oversize fireplace, generously proportioned sunroom, 25x12 with beautiful solid oak floors. Dining-room 17x11.6, masculine den, 3 large bedrooms, Pembroke bathroom and scintillating cabinet kitchen with tiled sink. Upstairs there are 3 more de luxe suites, each comprising large living-room, 2 good-sized bedrooms, modern electric kitchen, dinette and Pembroke bathroom. All suites wired ... electrically heated domestic hot water. In addition, there is a unique billiard-room 20x14, finished in knotty pine. The setting is on about 1 acre of tastefully landscaped grounds with patio and in a high commanding view location.

As this property is brand new, immediate possession can be effected so that you can choose your own tenants. It would also make a very desirable guest house or nursing home. See it now and compare it with anything you have seen at a far higher figure. You'll have to hurry for it's a once in a lifetime opportunity $20,000

Britain to Overcome Problems Lord Iliffe Tells Canadian Club

"Life in the British Isles is pretty grim today," said Rt. Hon. Lord Iliffe in a fact-filled address delivered before a meeting of the Canadian Club yesterday at the Empress Hotel.

Dealing with "present conditions and future prospects of Great Britain," the speaker stressed the point that greater [illegible] was one of the greatest necessities in that country today, "if she is to have any degree of prosperity."

A leading newspaperman and industrialist of Great Britain, Lord Iliffe outlined the problems now facing the British Isles. "We've just emerged from a world war, our overseas investments have shrunk, and there is a lack of highly trained personnel in practically all lines of industry and business."

He noted the great number of young men who did not return from the Great War of 1914-18. "These men would have been our senior business and industrial leaders of today," he added.

SAYS LABOR PARTY ADDS TO DIFFICULTY

In addition, he added mention of property damage suffered during the recent war, acute shortages of commodities "of practically all description," and the fact that "the Labor Government has added enormously to our difficulty."

Reporting on the present Government of Great Britain, Lord Iliffe admitted: "It is true that any government would have had to face many big problems."

He stressed that the overwhelming support recently given the Labor Government was not an indication the people did not fully appreciate the leadership during the war years.

"It was the fortitude of the English people during the horrible enemy bomb blitz that saved all civilization," the speaker added. "Victory was due to Britain's wartime leader, Winston Churchill."

Dealing with the future of Britain, Lord Iliffe said: "Reason will prevail in the end, and we shall overcome all our difficulties."

"The firm stand against Communism being taken by the Labor Government is something to be praised," he continued.

The speaker dealt to some extent with business and industrial conditions in his home country. "There is a feeling of frustration on behalf of employers, and a feeling of indifference on the part of the workers," he said. The matter was becoming serious, he said, and unless something is done to remedy this situation, "Britain will be prohibited from continuing in the world export market."

CITES GREAT NEED FOR HIGH PRODUCTION

Noting the need for increased production "all along the line," Lord Iliffe said a coal miner in 1937 produced 308 tons of coal, but in 1946 this production total dropped to 259 tons. Had the 1937 level of production been maintained, he added, Britain would not have experienced her present critical coal shortage which has halted industrial progress considerably.

In conclusion, the speaker dealt further with the system of government in Britain. He remarked: "Our object should not be that capitalists should be fewer, but rather that everyone should have the opportunity of becoming a capitalist."

Lord Iliffe is a director of The Daily Telegraph of London, and joint owner of The Midland Daily [illegible]. In the Great War he served as controller of the machine tool department, Ministry of Munitions, and in the World War served as chairman of the Red Cross drive to raise funds.

Municipal Briefs Of the District

The public works committee is recommending to the City Council Monday that the sewer running from Fairfield Road to the Observatory be taken over by the city. It is planned to enlarge the sewer to serve houses in the area. It is now owned by the Government.

[illegible] of a storm sewer on the north side of Albert Avenue 300 feet southeasterly from Shelbourne Street at a cost of $300 will be recommended to the City Council.

Recommendation will also be made to the council that permission be granted to the Lions Club to place posters and streamers in the downtown area to welfare delegates to the 25th annual convention.

Building permits have been issued to Mrs. A. A. M. Waterworth for erection of a five-room house at 355 Arnold Avenue to cost $6,000 and to H. R. Paulin for alterations to provide living quarters above a store at 1323 Government Street to cost $2,000.

Hart Starting East Tuesday

Premier John Hart will leave Victoria for Ottawa immediately after next Tuesday's meeting of the Executive Council, it was learned at the Legislative Buildings yesterday.

In the Federal capital, Mr. Hart will press for a further Dominion-Provincial conference on social security measures, or, at least, for a conference of the six provinces that have signed taxation agreements with the Federal Government.

At the same time he will confer with Dominion Government officials and heads of the two transcontinental railway companies on proposals for the future operation of the provincially-owned Pacific Great Eastern Railway and its extension from Quesnel into the Peace River district.

Start New Scale Of Contributions

A new scale of employer contributions under the Municipal Superannuation Act was gazetted yesterday.

Contributions at present are based on 7 per cent of salaries and wages. This has been found to be inadequate in some cases, where an employee enters municipal service relatively late in life. Future contributions by employers will be at flat rates, reflecting a slight upward trend as against the percentage basis of contribution.

In the case of firemen, policemen and bus drivers, the scale ranges from $6.12 a month at age 15 to $14.39 at age 35, and down again to $13.86 at age 40. For all other male employees the rate will range from $3.59 at age 15 to $13.41 at age 40, and down to $12.64 at age 45.

Rate for female employees will range from $2.47 at age 15 to $14.85 at age 35, and down to $14.25 at age 40.

Typical Halibut Boat Awaits Season

Hearing on Construction Costs Is Finished; Findings Due Soon

Restlessness amongst workmen in the heavy construction field has grown to the point where labor turnover is higher now than ever before in the memory of contractors, Mr. Justice Sidney Smith was told yesterday by Fred J. Dawson, president of Dawson, Wade & Co. Ltd., one of British Columbia's major construction firms.

The statement was made during concluding stages of the hearing by Mr. Justice Smith, as special commissioner appointed by the Provincial Government, of a petition by seven contractors for financial compensation to offset added cost factors over which they had no control.

On one of his jobs, Mr. Dawson told the commissioner, labor turnover reached as high as 426 per cent over a period of six weeks.

STATES MEN FIND NO FAULT

The men had no fault to find with quarters, meals or working conditions. It was just that they thought they might get more money somewhere else.

"If wages had remained stabilized as they were during the war, I think this restlessness would not have developed," Mr. Dawson stated.

He added that skilled rockmen could not be found close to the job in remote districts and had to be sent from Vancouver. If they stayed on the job for only a few weeks, transportation became a big cost item.

His statements were made in answer to a suggestion that contractors in some instances might have cut their costs by speeding the work.

Mr. Dawson declared that everything possible had been done to complete the projects, but contractors had been held up by matters beyond their control. Delays were due chiefly to difficulty in getting labor and equipment.

Harry Anderson, Public Works Department chief engineer, conceded that the percentage of loss would increase if the labor situation became aggravated.

EXPECTS THINGS TO BECOME WORSE

"We can only expect things to become worse instead of better," he said.

Carl A. Anderson, general manager of Emil Anderson Contracting Ltd., told the commissioner that on wartime projects contractors were able to get equipment on priorities. Now, urgently needed equipment was sometimes as long as eight months in reaching the job.

On his company's contract on the Hope-Princeton highway it had been hoped to realize on good merchantable timber on the right-of-way, but because of shortage of labor and logging equipment the company had had to resort to bulldozing the timber out of the way.

Of the calibre of labor today, Mr. Anderson declared:

"Men with families are coming into the cities to work, and the young men taking their place haven't got the experience."

He said it cost 50 per cent more today to move rock than at the time his firm took the contract, when labor was controlled.

Hearings were concluded yesterday afternoon, and Mr. Justice Smith intimated that his findings would probably be announced next week.

Woman's Death Is Followed By New Charge

Tong Yen, 953 Empress Avenue, was charged with manslaughter in city police court this morning following the death early Thursday morning of Miss Mary Emma LePage, 80, in Jubilee Hospital.

He was remanded until April 29 and released on bail of $2,000.

A previous charge of dangerous driving against Yen was withdrawn by City Prosecutor Claude L. Harrison.

Yen is alleged by police to have been the driver of a car which struck Miss LePage at the junction of Vancouver and Fort Streets on Sunday.

Miss LePage received multiple fractures of both legs, a broken nose and head injuries. She never recovered consciousness.

An inquest into the death is set for 10 a.m. Monday at Thomson's Funeral Home.

The charge read in city police court this morning alleged that Tong Yen did "unlawfully kill and slay Mary Emma LePage, 1157 Hilda Street."

W. H. Davey, K.C., appeared as defence counsel.

DRIVER FINED

David Arundel was fined $40 with the alternative of seven days in jail when he pleaded guilty in city police court yesterday to a charge of dangerous driving.

Club Members Are Given Musical Treat

A musical treat, in the form of a half-hour program by the Oak Bay High School Choir, was enjoyed by members of the Lions Club at a regular luncheon meeting yesterday at the Empress Hotel. The students' performance was arranged by Jack Fuller, chairman of the club's program committee.

During a business session, members heard a detailed report from Lee Hallberg on plans now being made for the club's annual "tin lizzy" contest, to be held July 1, at the Willows.

Four silver trophies have been arranged, Mr. Hallberg reported. One will be the grand trophy for the winner of the final race.

The racing program will include three seven-mile events, and a championship event of ten miles. The latter contest will be open to winners of the first three heats. First prize in the main event will be $150; second prize, $75; third prize, $50; and fourth prize, $25.

Proceeds will go to Lions Club charities. Further details of the race, Mr. Hallberg added, will be released in the near future.

Fishermen Anticipate Heavy Catches As Craft and Gear Are Made Ready

Halibut fishermen of the coast are now busy preparing for the current year's season which opens next Thursday. Boats are being repaired, engines put through tests, and halibut fishing gear is being readied for what is expected to be one of the heaviest seasons this fishery has known for several years.

Typical of the approximately 20 halibut boats that will leave this port for the grounds in area No. 2—in and about Hecate Strait—is the trim 68-footer Vinetta Prince, at the left in the above photograph.

Described as "the finest boat of its kind ever built in British Columbia," this vessel is owned and operated by Adolphus Prince, whose Victoria home is at Gordon Head. The 78-ton boat was launched early this year at a Vancouver shipyard, and carries a crew of eight. She is powered with a 152-horsepower Diesel engine. Total cost of the craft, including about $4,000 worth of fishing gear, was in the neighborhood of $60,000. A son, Roland, serves as chief engineer.

The Vinetta Prince carries all the latest navigational and communication equipment, also an elab- depth-sounder that will reach to 400 fathoms. Her galley would be [illegible] lessly clean, and centre of all cooking and eating for the men, it is equipped with a built-in sink, hot and cold running water, electric lights, and spacious drawers and cupboards. Additional comforts for the crew include comfortable sleeping facilities and hot and cold showers.

VANCOUVER, April 26 (CP).—The men of the sea, veterans of storm-tossed Pacific waters, today prepared for the annual halibut harvest, a harvest which brought Canadian-United States fishing fleets $9,000,000 in a six weeks' season a year ago.

The first group from the Vancouver 300-boat fleet will sail early Sunday for the Northern banks for days of hard work netting halibut for far-off markets. The International Halibut Commission has set the catch at 53,000,000 pounds with a forecast that the quota will be reached in five weeks.

The pay is good. A British Columbia halibuter may wind up the short season with $500, $600 or $700 in his pocket and if he goes north into the Alaskan halibut area, open considerably longer he may end up with $1,000 or $1,500. Each crew member gets a "cut" on the catch.

LA GUARDIA ILL

NEW YORK, April 25 (AP).—Former Mayor F. H. La Guardia, who has been in Mont Sinai Hospital since Wednesday, has a "mild diabetic condition," his physician, Dr. George Baher, said today. La Guardia went to the hospital for a detailed clinical checkup, Dr. Baher said.

Ban Is Imposed On Collections At Park Gates

Collections at the gates of city sports parks will be prohibited in the future, it was announced yesday by Ald. D. D. McTavish, parks committee chairman.

The action followed a protest from Rev. W. N. Byers, field secretary of the Lord's Day Alliance of Canada, he explained. Rev. Mr. Byers contended, in a letter to the City Council, that collections at the parks were made in such a way that members of the public felt compelled to contribute or face embarrassment.

The committee has ruled that collections made be made by "passing the hat," however, Ald. McTavish stated.

Playing of baseball on Sunday at Royal Athletic Park will be discontinued, in order to protect the field, it was stated, but games will still be permitted at Macdonald Park.

The committee received $400 from Robert Noel as the fee for the third and last year on a contract for use of the fence at Royal Athletic Park for advertising.

Permission was granted to staffs of radio station CJVI and The Daily Colonist to hold a benefit game at Macdonald Park, May 25. Proceeds of the game will go to the Queen Alexandra Solarium.

CHEAP LUMBER

Cheap lumber at less than the price of wood. This lumber cannot be sold commercially at the sawmills because of being offsize, too much bark, splits, check or pitch streaks, but hundreds of loads are being sold, and please picked out to repair barns, sidewalks, fences and garden stakes. Even if all this lumber were cut into wood it would be cheaper inside wood and a load will make about 1½ cords. Especially handy for people who live outside of town and find it hard to get wood.

This lumber is in 1, 2, 3 and 4-inch boards and planks and timbers up to 90 feet long.

Price Per Big Truck Load $5.75 Empire Wood Co.

BUILD HOMES FOR WAR VETERANS AT PORT ALBERNI

Photograph shows several of the 50 Wartime Housing, Ltd., dwellings being constructed for war veterans at Port Alberni by Thor M. Peterson. Twenty are nearing completion, and four will be ready for occupancy before the end of the month. Dwellings with one floor each have two bedrooms, and those with two stories contain three bedrooms.

Kinsmen Bursary For Port Alberni

PORT ALBERNI, April 25.—Kinsmen Club of Alberni District has established a bursary of $100 for senior matriculation students. Those entering senior matriculation are required to pay that amount, and action of the club will provide tuition for some deserving student each year.

The basis for the award is scholarship, personal contribution to the school, and financial need.

The suggestion has been advanced by Eric Dunn, supervisor of the High School, that a committee of two or three meet a committee of High School teachers to receive recommendations on qualifying pupils. The club itself will make the actual award.

It has also been put forth that the pupil or pupils winning the award must apply for it and must attend senior matriculation. The award will be made at the graduation exercises, which are to be held not later than June 15.

The clubmen, at their regular meeting, discussed the forthcoming fall fair. Cliff Leslie, manager, reported that arrangements had been made to bring the largest midway in Western Canada to the fair, including five rides.

Protect Children Campbell River

CAMPBELL RIVER, April 25.—A safety program designed to protect school children and pedestrians in the Campbell River area will shortly be undertaken by the Board of Trade. Action follows the recent death of Peggy Perkins, seven, who was killed when she ran out from behind a school bus into the path of an oncoming cement truck.

It has been suggested that all cars and trucks carry window stickers on which would be printed the times when children would be coming out of school, when the school bus would be on the highway, and other information designed to protect pedestrians.

It has further been suggested that children be taught safety lessons in school. The Workmen's Compensation Board will be asked for further information on the subject.

When kidneys get out of order, excess acids and poisons remain in the system. Then backache, headache, rheumatic pains, disturbed rest, or that "tired-all-the-time" feeling may soon follow. To help keep your kidneys working properly, to help them regain a normal condition, use Dodd's Kidney Pills—a favourite remedy for over half a century. 111

Duncan Elks Plan $50,000 Building on Station Street

DUNCAN, April 25.—The building committee of Duncan Lodge, B.P.O. Elks, has ordered plans prepared for the construction of a new Elks' Home on Station Street at an estimated cost of $50,000. The proposal will be laid before the next meeting of the lodge for confirmation.

It is planned to move the present Elks' Home to another location, and to convert it into a modern apartment block.

The new Elks' Home would cover the space occupied by the Elks' gardens, now one of the beauty spots of Duncan.

It is understood that provision will be made for the usual lodge facilities, recreation rooms for both ladies and gentlemen, billiard room, bowling alleys and a refreshment counter in the shape of a horseshoe.

Set Presentation At Port Alberni

National Safety Council will present "distinguished service to safety" awards to Alberni Pacific Lumber Co., Ltd., and Alberni Plywoods, Ltd., at 8:30 p.m. on May 3 in the R.C.E.M.E. Hall at Alberni.

Andrew Whisker, chief administrative officer of the safety branch, Provincial Department of Labor, commented yesterday:

"The granting of this high award for an outstanding record of accident reduction to these two associated companies is, in their respective fields, a record in North American industry."

The ceremony will be attended by 800 employees and their wives, and will be followed by a dance.

Speakers will include Hon. E. C. Carson, minister of public works; Adam Bell, chairman of the Workmen's Compensation Board; Commissioner T. W. S. Parsons, Provincial Police; George Ennis, National Safety Council, and H. R. MacMillan.

Hilliers Resident Injured by Truck

PARKSVILLE, April 25.—Harry Burgoyne, of Hilliers, miraculously escaped death Thursday when he stumbled beneath a logging truck beside which he was running at the E. & N. Railway station. The vehicle passed over the full length of his body. Allen Dunne, Errington, driver of the truck, felt a bump and got out to investigate, otherwise the trailer would also have gone over Burgoyne.

Dr. T. Sutherland, Crayharven Inn, attended the injured man, and an ambulance rushed him to Nanaimo General Hospital, suffering from a crushed foot, shock and bruises.

Sooke Hospital Fund

SOOKE, April 25.—The new Sooke Old Time Social Club will hold a box social in the dining-room of Sooke Community Hall at 8 p.m. Saturday. Object of the club is to raise funds to provide a small hospital for Sooke.

Courtenay Board To Purchase Land

COURTENAY, April 25.—The trustees of Courtenay School District No. 71 will take an option on a 60-acre parcel of property on the outskirts of Courtenay for future use as a consolidated high school site. Children from Courtenay, Comox, Cumberland and Tsolum areas will attend the proposed school.

The parcel is to include the 15 acres purchased earlier this month at a price of $12,000. This most recent report from the site committee, which explained that the extra 45 acres was available for only $3,000 more. The site embodies a natural ampitheatre in which games could be played and which could be developed into a sports field unique on the Island.

To Be Buried Monday

NANAIMO, April 25. — Funeral services will be held here Monday for the late James Hutchison, well-known colliery employee, who died in hospital yesterday.

Born in Cumberland, England, he was a surface worker for Canadian Collieries, Ltd., for 28 years. He is survived by his widow; a sister, Mrs. T. Sime, of Golden, and other sisters and brothers in England.

Comox Aero Club Requests Hangar

COURTENAY, April 25.—Comox Aero Club will make application to the Department of Transport for necessary hangar, administration and service buildings which have been declared surplus by the R.C.A.F. and made available to the Royal Canadian Flying Clubs Association on a maintenance basis only.

Shoot 16 Cougars In Hills of Sooke

SOOKE, April 25.—Sixteen cougars have been shot in Sooke district during the past six months. Most of them were bagged by loggers whose work takes them into the secluded hills and valleys. Bears are often encountered, but seldom shot.

Loggers often experience many [illegible] they go to work early in the morning. During the Winter they sometimes run into sleet and snow in the hills, while mild weather prevails in the village of Sooke.

Chemainus Children Protest Price of Bars

Shown above is one of the numerous posters tacked up at Chemainus by children who are boycotting 8-cent chocolate bars. The boycott is also in effect at Ladysmith and Chemainus, and shows signs of spreading to many other Vancouver Island communities. Parents in most cases are supporting their youngsters in the protest against increasing bars from 6 cents to 8 cents.

Qualicum Raises Money for Park

QUALICUM BEACH, April 25.—With $4,000 already subscribed, and only an additional $1,000 needed to ensure commencement of projected work, plans to obtain a memorial park and board walk on the waterfront and beach at Qualicum are being given added impetus by an offer by E. L. Boultbee to grant the site free to the Citizens Rehabilitation Council, provided members undertake to raise $5,000 for its development as a park.

Plans call for construction of a concrete retaining wall and boardwalk in a setting of lawns and shade trees. The committee in charge of collecting funds for Breakwater Park is headed by James Graham, with Frank Parker, chairman of the finance committee. Donald Beaton is secretary, and E. D. Thwaites, treasurer.
